### Brains Team

**GOOD LUCK BRAINS TEAM** Good luck to our Brains Team who will travel to Aquinas Schools in La Crosse to compete in the Academic Brains Competition on Saturday, Jan. 27, with the first round beginning at 9:00 AM. You will represent St. Patrick School well!

### PARENT / TEACHER CONFERENCES

Please see attached forms for Parent Teacher Conferences on Feb. 15th and 16th. Please return the form by Monday, Feb. 5th so we can honor your requested time. You will receive a brightly colored sheet with your assigned conference time.

### Cold Weather Gear

**Winter is here!** Parents please make sure your children are dressed appropriately for outside time.

### PRINCIPAL'S CORNER

Catholic School's Week is a time each year that we celebrate the opportunity we have in providing this environment for our children.

Catholic values guide our classrooms regarding expectations and goals. Our student participate in multiple sacraments through out the school year. Our students demonstrate our values in their participation in various efforts that connect our community and parish.

Our staff provide instruction and guidance beyond those in other institutions. Our families also demonstrate a higher level of interaction with their child's education and provide support for staff and children.

Catholic schools provide a caring environment for our children. Thank you for choosing St. Patrick's School in Mauston.
