SCHOOL-WIDE TESTING

ITBS Testing runs from October 23rd through November 13th. Grades 2– 8 will be testing this year. Good nutrition and a sleep help students do their best on these tests. Please try to avoid outside appointments, if they are necessary notify the teacher. Most testing will occur in the morning. **Thank you** for your cooperation with this assessment.

FREE FLU SHOTS FOR STUDENTS

St. Patrick School influenza vaccination clinic will be held on November 6th at 9:30AM.

The vaccination is FREE but we need the consent form returned to the office. Please visit School-Speak or stop in the front office if you need one.

PRINCIPAL'S CORNER

The first weeks of school have flown by and been a great time getting to know students. We just went through two great events for our students and the adults, Children's Mass and Grandparents Day. Thank you to the teachers in preparing everything for making it a great day. Thank you to the grandparents for joining us on this day.

This year our students will be celebrating Halloween followed by All Saints Day. On All Saints Day students will dress up like their favorite saint.

Looking forward to seeing all you during parent teacher conferences in November.

Enjoy the fall colors

Blessings,

Linda Leyer
