Home and School Fundraiser

A very large THANK YOU to our Home and School organization for conducting a successful fundraiser.

We want to thank all the parents, family, and friends of students who purchased pizzas and braided bread .

Christmas Program

St. Patrick's Christmas program went very well on Sunday, December 10. The staff did a marvelous job in organizing the program on a tight schedule. Students were focused for each of the rehearsals.

We appreciate the positive feedback from all who attended.

Cold Weather Gear

Winter is here! Parents please make sure your children are dressed appropriately for outside time. If you have questions contact their teacher or the office.

PRINCIPAL'S CORNER

The Advent season made the month of December hectic with activities.

I am very proud of our staff and students in presenting an excellent Christmas program. I received many complements that I passed on to the staff.

Our students demonstrated a strong social concern with their participation in the food drive. We will be helping the food bank at a time of year when it will brighten the lives of those in our community. Every day students added to their classroom contributions.

Next month our school will be planning for Catholic Schools Week. We look forward to celebrating our opportunity to provide children with an excellent education that also focuses on our relationship to Jesus.

Merry Christmas to everyone.

Linda Loyer
