**April 29, 2018**  
**FIFTH SUNDAY OF EASTER**

**FROM OUR PASTOR:**

Congratulations to our second graders who have received Jesus for the first time this Sunday. May you always keep Jesus close to your heart. Thank you to our parents who have given them that example to follow of wanting to receive Him at each Sunday Mass. I am grateful to our teachers who have helped them in this journey prepare for each step.

Next week end Msgr. Hundt will be here and preaching at each of the Masses. He will be speaking of annulments and what that really means. There has been confusion or people have heard different things over the years but this will be a chance to hear it directly from our judicial vicar who handles all the cases for our diocese.

May 6th will also feature a pancake breakfast after the 8 and 10 am Masses. It will be a chance to say "thank you and best of luck" to Sam as he will be wrapping things up here at the parish. Please mark your calendar for May 4th. It is 1st Friday. Plan on making some time for the Lord.

Perhaps we think of FORMED as adding another thing to our day or something I will get to when I have more free time. This week I was on the exercise bike at the gym and was able to listen to Dr. John Bergsma's presentation on the Dead Sea Scrolls. Not exactly light material, but very informative. I encourage you to look again at how you can fit FORMED and growing in your faith into your busy day. It may be easier than you think!

To brighten your day, consider these highly unusual laws.

- Wearing suspenders is illegal in Nogales, Arizona.
- In South Dakota, an eighty-year-old woman can not stop on the street to talk to a young married man.
- A Louisiana law upholds your right to grow as tall as you like.
- Anyone over the age of eighty-eight in Idaho Falls, Idaho, is not permitted to ride a motorcycle.
- It is illegal to set a trap for a mouse in California without a hunting license.

Have a great week!!

*Father John*
