THE MOST HOLY TRINITY

FROM OUR PASTOR:

Steven Weller has arrived for his summer assignment. He will be observing and getting involved where he can. Please take a moment after Mass and welcome him. He has just completed 1st theology so that would put him one year behind Sam. Sam is home for a few days and then heads off to the Twin Cities for his work in a hospital for the summer.

For our students we have had both the Athletic and Awards banquets. What great moments to recognize all that our students have achieved this past year. They are involved in so many things and do so well. They couldn't do it without all the support of their parents, so a thank you for all you do. The same goes for all the coaches and volunteers who also gave of their time and were mentors to our students. We all need good examples to show us the way. Thank you.

Memorial Day is here (which is so hard to believe) and there will be Mass at 8 am. At 11 am there will be a service at the St. Patrick's cemetery. You are invited to be a part of that. I hope the day is a good one for time with family and friends. I am heading (3 hours) up north to be with my brother and his family for the day.

June 1 is the last day of school for our students. The end is truly near!! Please keep them all in your prayers over the summer that they are kept safe. Pray for our staff too that the summer is a time of refreshment and renewal.

The month of May, which is almost over, is filled with many saints that have given us a great witness. St. Christopher Magallanes was killed by the government on the way to say Mass for the faithful. Perhaps we take such a privilege for granted. St. Justin Martyr was one of the early martyrs of the Church for defending and teaching the faith to the Roman world. St. Philip Neri is known as the "third apostle of Rome" and for his warm personality and great sense of humor that moved people to seek a better way of living their faith.

So let us keep each other in prayer and ask the saints to join us as we lift each other up; praying for the good of all.

FORMED....Pick of the Week

All too often, science is employed as a means of disproving the tenants of Christianity. In this week's **FORMED Pick of the Week**, Fr. Robert Spitzer—expert in physics, philosophy and theology—debunks the incompatibility of science and faith as he discusses the origin of the universe. This week, go to formed.org and listen to **Science, the Origin of the Universe, and God.**

FORMED is for the WHOLE family. Register at stpatricksmauston.formed.org. You can also download an app for your Android or I-phone from your Play Store. Take some time to check it out!

Baptism: Baptisms are celebrated during Mass on weekends. Parents may request baptism for their child by calling the rectory to schedule a preparation class for Baptism.

Pastoral Care of the Sick: Individuals who are home-bound and wish to receive Holy Communion should contact the rectory.
