## FOURTEENTH SUNDAY IN ORDINARY TIME

### FROM OUR PASTOR

Happy 4th of July. Happy Birthday to the United States of America. Our nation has faced many things over the past 246 years. Many may not think that our country is that great. Nonetheless millions of people come to our country every year hoping for a better future. Since our country is made up of people, it will never be perfect. For our nation to be better, we must become better. This is where I encourage you to find time over the summer to make a good confession and open your heart all the more to the graces offered in each Holy Communion.

Support and encouragement is something we all need. July 8th is our parish picnic. It is meant to be a simple gathering to build up our community, our parish family here at St. Pats. Please plan to be a part of this wonderful evening with great food and music provided by the Wrannock Trio. Your presence will add to this being a great source of support to other parishioners.

Supporting and praying for others is part of what we do for one another. Those who are ill are especially in need of our prayers, time and attention. On August 15 there will be a healing Mass. It has been awhile since we have had one. At this Mass there will be anointing of the Sick for those most in need. Prayers or blessings for those who are assisting them or others. Following the Mass will be a light lunch that will be provided by the PCCW. More detailed information will be coming at a later date.

The 15th of August is the Solemnity of the Assumption of the Blessed Virgin Mary. She is a great intercessor to turn to in need. One of her titles is "Help of Christians". Mary has been so important to many helping them come closer to her Son Jesus. Again I encourage you to turn to her in one of the many devotions that are available to you.

Humor can add to our enjoyment of any gathering and truly lift our spirits in more trying times.

- How did the owl feel when he lost his voice? He didn't give a hoot.
- Why did Lily go to the prom with a prune? Because she couldn't find a date!
- Which dance will a chicken never do? The foxtrot.
- Where is a cattle herder's favorite place to cook her meals after a long day? Home on the range.
- What did the cheetah say when she was falsely accused by the lioness? You've got to believe me, I'm not lion!
- What does a subatomic duck say? Quark.
- What do you call a snake in charge of the philharmonic orchestra? A boa conductor.
- What kind of insect is bad at football? The fumble-bee.

*Father John*

## FORMED

### Paul VI: The Pope in the Tempest

Pope Paul VI was a leader in the Catholic Church as a priest, bishop, cardinal, and pope through one of the most difficult periods in its history—from the Fascist regime and World War II to the constitution of the Italian Republic, from the Second Vatican Council to the protests and the terrorist attacks of the 1960s and 1970s.

His papacy ran from 1963 to 1978, during which he wrote the prophetic, controversial document *Humane Vitae*. This document strongly proclaimed the Church's teaching on the sacredness of married love and human life, and the evil of contraception, which the Pontiff said would open the door to abortion if allowed. He was the first travelling Pope who began to visit the dioceses of the five continents as no pope had ever done before.

Paul VI was the pope who opened a dialogue among religions, visiting Jerusalem and the Holy Land, for the first time. This beautifully produced and well-acted movie is a journey into the past of both Italy and the world, in the midst of wars and continuous upheavals. Actor Fabrizio Gifuni gives a powerful and sensitive performance as Pope Paul VI and how he dealt with so many great challenges in his papacy.

This exciting and insightful film covers fifty years of history that changed the Catholic Church and the world. *Paul VI: The Pope in the Tempest* is a story that draws emotion and lessons from history itself, dramatically mixing stunning reconstructions and real film footage.
