FIFTEENTH SUNDAY IN ORDINARY TIME

FROM OUR PASTOR

Looking back on July 8th, it was a nice day for the deanery clergy (priests and deacons) to get together. We try to have a summer social in July each year. We do not conduct any business but simply enjoy a cookout and time with each other. It is good fraternity or fellowship. It is a time to build friendships and truly catch up with each other. Everyone is busy and our deanery includes three counties so we don't see each other as often as we would like.

I think this is a great idea for everyone to reflect on. Do we give the time we need to build our friendships? Being alone is one of the great fears our older family and community members have. Do we put in the time? Or take the effort? Do we reach out or wait for others?

Perhaps that is the same for Jesus? Some walk away from the Church and practice of the faith because they say they have not really met Jesus or know Him. Yet do we give the time in a meaningful way that touches our heart and challenges us to change? We are meant to become more like Him, so we need to be converted. Jesus has already become like us so that we can become more like Him. So take that time this summer for prayer and/or adoration & scriptures.

With that in mind, don't forget our prayer time on Wednesday nights at 9 pm. That is part of the challenge. We can get pretty comfortable at home and at the end of the day. Getting up and out for Jesus is part of what we can offer Him. Stop by if you have not already attended.

Please support the diocese of Vellore the focus of our Mission Co-op this year. With Fr. Chinnappan already here, it reminds us that the Church is missionary. All of us, no matter where we are, are to be missionaries, evangelizers. By our baptism we are called to share the Good News of Jesus Christ.

Reminder of the parish picnic that is on Friday July 16th at 5:30 pm. Always a great meal and time to simply build fellowship here at the parish.

The summer temperatures can get pretty hot and dry things out, thank you to those who are watering the plants around the parish and all those volunteers who take care of our cemeteries.

The summer heat can't stop us from laughing, so enjoy the following.

- Sitting at the vegetarian singles club, one guy said to his friend, "I don't think I've seen herbefore."
- What do you call two hippopotamuses on a bicycle? Optimists.
- Every single morning, I get hit by the same bike. It's a vicious cycle.
- What lies at the bottom of the sea, shaking? A nervous wreck.
- Why did the teacher jump into the pool? To test the water.
- What kind of tea cannot be taken into space? Gravi-ty.
- What foods are especially good for young people? The pro-teens.
- Why did the deer need braces? He had buck teeth.
