SEVENTEENTH SUNDAY IN ORDINARY TIME

FROM OUR PASTOR:

Dear brothers and sisters in Christ Jesus, Praise be to the Lord. Fr. Cruz has been busy these days with processing all his initial errands and preparing himself for the Driver's license test. He is so much excited to be here for saying Masses and meeting you all after Masses. This week, in continuation to reflections of Divine Mercy, I am writing about, "The Depth and Breadth of Mercy."

Imagine being given the task of counting every grain of sand in the world. It would obviously be an impossible task. In fact, all the people in the world could not accomplish such a task together. Some things are simply beyond us. Another task that would even be more difficult to accomplish is to fully fathom the Mercy of God. This is impossible. The Mercy of God is completely beyond us. Its depths and breadth are infinite. You could spend your whole life contemplating and experiencing the Mercy of God and you would only begin to penetrate the surface. In fact, if every person ever created spent eternity contemplating the Mercy of God, our combined effort would not even suffice to comprehend it. Understanding that the Mercy of God is infinite will enable us to turn to Him no matter our struggle and no matter our sin, trusting in Him with all the powers of our soul **(See *Diary #1059: Jesus is commanding me to make a novena before the Feast of Mercy, and today I am to begin it for the conversion of the whole world and for the recognition of The Divine Mercy... so that every soul will praise My goodness. I desire trust from My creatures. Encourage souls to place great trust in My fathomless mercy. Let the weak, sinful soul have no fear to approach Me, for even if it had more sins than there are grains of sand in the world, all would be drowned in the unmeasurable depths of My mercy.*)**.

Have you tried to comprehend the Mercy of God? Do you even understand that you can never fully understand this infinite Gift? If you are to trust in our Lord, you must begin this impossible mission of Divine contemplation. It's what you will do eternally in Heaven. And your Heaven must begin now. Doing so will deepen your ability to trust, and your trust will enable you to surrender. Do not wait, begin this glorious task today.

God bless,
Fr. Jey
