

August 11, 2024 NINETEENTH SUNDAY IN ORDINARY TIME

FROM OUR PASTOR:

My dear brothers and sisters in Christ Jesus, Praise be to the Lord. This week, I am planning to continue with amazing reflections of Divine Mercy, which are so meaningful for our lives. This week it is about "Overcoming Doubt."

What is "doubt?" To doubt is to lack faith, and to lack faith is to lack trust in the perfect revelation and plan of God's Will. First and foremost, a doubt, resulting from a lack of faith, means you are not listening. When we doubt God, His plan and all that He reveals to us, we are left on our own. But when we listen, hear, understand and believe, we are covered in the protection of His Mercy on account of the faith that we manifest. Faith means that we know with certainty all that God says and wills. Faith is not just believing in something we hope is true, it's knowing and believing all that is true (**See Diary #1101: In the evening, I heard these words in my soul: My daughter, know that I shall speak to you in a special way through this priest [Father Plaza] so that you may not yield to doubt concerning My wishes. Already in the first meditation my soul was struck by the following words of the priest: I must not oppose God's will and God's designs, whatever they might be; and as soon as I am convinced of the certitude and the authenticity of the will of God, I have the duty of carrying it out. No one can release me from this. Whatever the will of God may be, once I have come to know it, I ought to carry it out. This is just a very short summary, but the whole meditation imprinted itself on my soul, and I have no doubts about anything. I know what God wants of me, and what I ought to do.**)

Do you doubt at times? Or do you have faith? This is an exceptionally important question to ponder. Begin by asking yourself these questions: Do I listen to the Voice of God? Do I hear God speak to me and do I comprehend all that He says? Without these first steps, faith is impossible. Hearing Him speak can only come through prayer. And the form of prayer we need could be called "soaking prayer." Soaking prayer is a form of prayer by which we allow ourselves to daily become immersed in the Voice of God revealing His holy Will. He speaks to us all day, every day. Little by little we listen, comprehend and respond. This produces the gift of faith and that faith will lead your life. Reflect upon this process in your life and renew your commitment to start at the beginning so that the Lord will lead you one step at a time. Have a good week. Looking forward to seeing you all in the church on "Solemnity of the Assumption of the Blessed Virgin Mary."

God bless, Fr. Jey.
