TWENTY SIXTH SUNDAY
IN ORDINARY TIME

FROM OUR PASTOR

Each month seems to be busy in its own way. September starts off the school year. Many of our committees also begin meeting again. One of the fun things for everyone is Social Sundays. We are starting them this Sunday. They follow the 8 am and the 10 am Masses. One of the committees hosts this simple event. Kicking off our first one is our Home and School committee. If you are new to our school they are a great group that organizes many of the fun events for students and appreciation moments for our staff throughout the year. Please check them out or find time to be a part of the events hosted at school.

Also starting is our sports program with girls volleyball. I was able to get to the home games this past week. It is great to see the older girls play with such skill that they have picked up over the seasons. With the younger girls for some it is their first year and they play with great enthusiasm. If you are able, stop in and cheer them on!

Our sports program allows our students to learn outside of the classroom. It allows them to use talents that are not so easily seen sitting at a desk in the classroom. It also stretches some to try new things that can be a little daunting. I am always happy to see them do their very best. Hunter's Night Out has done such a great job supporting our programs. Thank you to them and all who participated in last year's event.

For our adults, keep your last Tuesday of the month open for our Holy Happy Hour. We meet at State Street Tap at 6:30 for food and fellowship. Then at 7 pm we transition to our intentional discussion. Last time we had a very nice crowd and brought a number of tables together to fit us all in to participate and share living out the faith.

Next week is also our scheduled time for our Sacred Worship meeting. We meet a few times a year to look ahead at the upcoming seasons. It is there we set some of the times for special yearly events. We also discuss the different ministries for service at Mass and keep wondering how we can get more members to participate in them. If you are interested in being a lector, usher, member of the choir, or Extraordinary Minister of Holy Communion please contact the rectory with a call or email.

Prayers are still needed as we continue to look for a DRE and pastoral minister for the parish. Perhaps you are wondering what does one do as a DRE or pastoral minister? There are many pieces but the main focus as a DRE is education. So overseeing the Religious Education program. Being that resource for our catechists. Teaching by example and as a catechist for our Confirmation program. If your heart is being stirred to step forward, sooner the better. If you are thinking of someone that could do a great job, talk with them and have them talk with me.

We also are in need of teachers for our religious education program. We meet each Wednesday. That hour is used to ground our students in the basics of the faith. You don't need a PhD but a love of God and neighbor desiring to share that with our young people.

STEWARDSHIP REFLECTION ~

September 25, 2022 —

Twenty-sixth Sunday in Ordinary Time

AM 6:1A, 4-7; PS 146:7-10;1 TM 6:11-16; LK 16:19-31

We have all been given great power by God in the form of Time, Talents, and Treasure. Today's readings remind us that we are to use these gifts for great good with this power. And that failure to do so has eternal consequences.

We see the urgency for us to put our powers to good use in today's Gospel passage from Luke. Our Lord tells the rather chilling parable of the rich man who ignored poor Lazarus during their lifetimes. At the moment of the rich man's death, he goes down to the netherworld. At the same time, Lazarus is taken to the eternal joy and comfort in the bosom of Abraham. The rich man keenly regrets his indifference towards the needs of Lazarus, but it is too late for regret. His choices have played out, and now the rich man will face the consequences of failing to use the gifts God gave him.

Pursuit of God's kingdom and care for the poor are not trifling matters. Our Lord makes clear to us over and over in the Scriptures and the constant teachings of our 2,000-year-old Church. Of course, we are free to ignore these teachings and live instead for ourselves. But there will be tragic results for us in the end. And, because we are made for eternity, living selfishly on this earth doesn't bring us true happiness.

So how can we use our great powers for great good? By putting God first in all areas of our lives, embracing a stewardship way of life,— how we spend our time, share our talents, and give our financial resources. Stewardship living calls us out of our comfort zone into a commitment to the Lord and the things that matter to Him.

Saturday, Nov. 12, 2022 ~ La Crosse Center | 300 Harborview Plaza, La Crosse, WI

Cost: \$40 per person; After Oct. 24, 2022, \$45 per person.

It has been said, "Insanity is doing the same thing over and over and expecting different results." Throughout recent history, Catholic men, in general, have been suffering from this very issue. Mass attendance is down, prayer lives are mediocre at best, and men being spiritual leaders in their families have been substituted by achieving worldly success. Who is going to lead these men back to the faith? The time for men to realize their identity as sons of the Father is now! Come to the Men of the Cross Conference to reignite and reaffirm your identity as a son of the Father! Gather your family members, best buds, men at your parish and even acquaintances, and join your brothers from all over the Diocese of La Crosse.

Go to menofthecross.org for more information and to register.

2022 FALL FESTIVAL WRAP-UP

We would like to thank everyone who helped out in any way to make our Fall Festival a success. Whether you sold tickets, worked at the sidewalk café, helped set up or clean up, or helped with Bingo or the Country Store -- it was all important and very much appreciated. We would like to especially thank that small group of dedicated people who spent months planning and organizing the festival; setting up and tearing down tents and tables, and making sure things ran smoothly the day of the festival. This could not have been so successful without their extraordinary efforts.

Our parish is also deeply indebted to those who sold raffle tickets. Listed below are the top ticket sellers who sold 30% of our tickets (almost \$13,000 worth). WHAT A GOD-SEND YOU ARE!

The proceeds of our Fall Festival are vital to the operation of our parish and our school. The many ministries of our parish under Fr. John's guidance bring us closer to Christ on our lives' journeys. And through St. Patrick School, superior academics and moral values are provided to our children. Given today's competing secular attitudes, these Catholic values are more important than ever. May God bless all who participated.
