THIRTY-THIRD SUNDAY
IN ORDINARY TIME**

FROM OUR PASTOR

My dear brothers and sisters in Christ Jesus, Praise be to the Lord. TMIY-That Man Is You sessions every Friday from 6.30 – 7.30 am, is going on very well. I really like and cherish this program every Friday. I could see more than ten men participate in it. The Video talk and sharing of thoughts in every session is something new and inspiring. Last Friday, the talk was about “From Protestant Pastor to Catholic Professor” by Dr. John Bergsma. It was stunning and eye-opening. Dr. John was sharing about his intellectual and spiritual journey into the Catholic Church, drawing from practical experience and encounter with the Early Church Fathers. He said, if one really wants to understand the meaning of the Scripture and the tradition, he or she has to go back to the Fathers of the Church who belonged to the first two centuries. And that is the Catholic Church all about.

This week I am writing about Saint Elizabeth of Hungary. In her short life, Elizabeth manifested such great love for the poor and suffering that she has become the patroness of Catholic charities and of the Secular Franciscan Order. The daughter of the King of Hungary, Elizabeth chose a life of penance and asceticism when a life of leisure and luxury could easily have been hers. This choice endeared her in the hearts of the common people throughout Europe. At the age of 14, Elizabeth was married to Louis of Thuringia, whom she deeply loved. She bore three children. Under the spiritual direction of a Franciscan friar, she led a life of prayer, sacrifice, and service to the poor and sick. Seeking to become one with the poor, she wore simple clothing. Daily she would take bread to hundreds of the poorest in the land who came to her gate.

After six years of marriage, her husband died in the Crusades, and Elizabeth was grief-stricken. Her husband’s family looked upon her as squandering the royal purse, and mistreated her, finally throwing her out of the palace. The return of her husband’s allies from the Crusades resulted in her being reinstated, since her son was legal heir to the throne. In 1228, Elizabeth joined the Secular Franciscan Order, spending the remaining few years of her life caring for the poor in a hospital which she founded in honor of Saint Francis of Assisi. Elizabeth’s health declined, and she died before her 24th birthday in 1231. Her great popularity resulted in her canonization four years later. Elizabeth understood well the lesson Jesus taught when he washed his disciples’ feet at the Last Supper: The Christian must be one who serves the humblest needs of others, even if one serves from an exalted position.

God bless, Fr. Jey
