## FEAST OF THE HOLY FAMILY

### FROM OUR PASTOR

**The Antiphon from Mass during the Night.** *“Let us all rejoice in the Lord, for our Savior has been born in the world. Today true peace has come down to us from heaven.”*

Merry Christmas to all!!

We have had four weeks to get ready, to reflect on what God has done for us. Maybe we take it for granted or do we do what we do every year and not give it another thought. Rejoice, our antiphon reminds us. Is there true joy in Christmas or are we happy that all the decorations are up or the gifts wrapped or the parties with the holiday anxieties are over? What do we really want for Christmas? Is it something that can be put under a tree? How many will celebrate Christmas without a loved one because of travel, work, health or they have passed and this will be the first Christmas without them?

We are also told that peace will come down from heaven. Often we try to work things out so that nothing goes wrong. Or hope that this year it will be different. Or if we don't mention X or Y or Z then everything will be fine. But do we turn to heaven so that peace may come down upon us and our gatherings as family and friends?

Yes Jesus is the reason for the season. Yet after all these years what does that mean? Is it really a season or is the Christmas tree out the door on the 26th? Christmas as a season continues until the Baptism of the Lord. (Which is January 9th, in case you are wondering.) Seasons allow us to dwell, ponder, and contemplate the mysteries of faith. God becoming one of us, and yes Mary did know since the archangel told her, but do we grasp the depths of it? The Incarnation makes Christianity unique. All religions are not the same. Jesus born in a manger at a particular time and place are not points of story or part of a myth.

In this season give yourself the time to read again the early chapters of Matthew and Luke to reflect more deeply on the realities of the season of Christmas. Part of the season should be joy, laughter and smiles. May you know them in abundance this Christmas season and to start you off please enjoy the following bits of humor.

- As a scarecrow, people say I'm outstanding in my field. But hay, it's in my jeans.
- What do you get when you cross a bell and a hummingbird? A humdinger.
- Who wears thermal underwear and shines? Long John Silver
- Where does bad light end up? In prism.
- What is the difference between a hill and a pill? One is hard to get up, and one is hard to get down.
- What's a physicist's favorite food? Fission chips.
- What's the difference between a knight and Santa's reindeer? One slays the dragon, and the other's draggin' the sleigh.
- How much does it cost Santa to park his sleigh? Nothing, it's on the house.

*Father John*

**Epiphany means "manifestation."** The first Epiphany was the visit of the Magi to adore the Christ Child. The gifts of the Magi reveal this holy Child's identity; gold for Christ's Kingship, incense for His divinity, and myrrh for His sacrifice on the Cross. **The Feast of Epiphany is celebrated this year on Sunday, January 2nd.** The blessing of homes (schools, places of employment, etc.) on Epiphany revives the beautiful custom of making our homes sacramentals. This blessing of the home makes us more mindful, receptive and cooperative with God's grace. This blessing also reminds us that Christ is the One Who enlightens our hearts and homes with His love. He is the source of our hope, our comfort and our joy.

The Holy Family experienced many of the same joys and trials that all parents and children experience today. And, so, we can look to this Family for help in our own family lives and see in them a model of stewardship in family life.

The Gospel passage from Luke starts by telling us something about Jesus' parents: "Each year Jesus' parents went to Jerusalem for the feast of the Passover, and when he was 12 years old, they went up according to festival custom." This Family took the stewardship of their time seriously. The "Holy Couple" carefully observed the traditions and practice of their Jewish faith and brought up their Son to do the same. They worshiped as a family and with their faith community. And they did so faithfully.

We can take their example to heart by making Sunday Mass attendance a priority for our families, by making prayer with our family a priority every day, by making sure that we regularly celebrate the Sacrament of Reconciliation, and by observing in our family life the feasts and fasts appropriate to the liturgical calendar. When we, as families, prioritize our time with God and worship Him, we will be imitating the Holy Family.

On this Feast of the Holy Family, let us reclaim the beauty and importance of family life. Let's commit to stewarding our families well in 2022, making time spent with God and practicing our faith the most important appointments on our family calendars.

## St. Joseph: Our Spiritual Father

While the Gospel has not preserved any of his words, his actions have resounded through the ages. Joseph of Nazareth stands out as the model par excellence of Christian virtue, a brilliant example of obedience to God and trust in Divine Providence. His role as protector of families in the difficulties of life and Patron of the universal Church has never been more clearly needed. Now, the Church is seeking to deepen its understanding of the Guardian of Jesus and of the Holy Family. Featuring interviews with leading experts and theologians, in addition to powerful first-hand testimonials — **St. Joseph: Our Spiritual Father** provides viewers with a glimpse into one of the most incredible lives in all of human history — a figure whose spiritual fatherhood remains open to all of us.

### Prayer Opportunities

**Holy Hour:** Each Friday we have Holy Hour from 3 PM to 4 PM. On First Fridays, we have Exposition and Adoration following morning Mass until benediction at 4 PM.
