PRINCIPAL'S CORNER

Spring is coming and we are entering the last quarter of the school year. It seems like we have some activity happening every week.

Thank you to all of the parents and friends who came to our first STREAM event. We had a great turnout and many varied activities presented. I know that our children enjoyed the activities leading up to this event.

We also had a great turnout for the Pre-school open house. It looks like we will have a full pre-school this fall. GREAT!

The 2020-2021 school year will be the 125th year for St. Patrick School. We will start the planning process to celebrate this event this summer. If you have ideas please drop them off at the school office.

Looking forward to a slow warm-up for spring.
