Where Faith and Knowledge Meet

<https://stpatrickismauston.com/>

August 2022

Dear St. Patrick Families,

Is that time of the year again! The excitement to return to school, new classroom, new teacher and new things to look forward to. This year is starting a little differently with some new staff in our building but I believe that we will have a great team and many new things to be thankful for!

I would like to thank those staff that will no longer be with us this year for their time and commitment. We wish you nothing but the best and understand the decisions we make have to be with the best interest of our families in mind. Thank you for touching the lives of our Saint Patrick's students and families. You are always welcome back and we would love to see your smiling faces when you get a chance.

Now to welcome our new faces! Starting with our first hire for next year, Cindy Bollig. Cindy is going to be working in the kitchen with Tammy. We are excited to have her back in the kitchen after many years. Cindy used to help her mom in the kitchen many years ago and now has come back to support the great new things we have coming this year. Thank you for choosing the Saint Patrick's family and starting our journey with us this year.

Our next hire was Mr. Tom Dorsch who is joining us from our neighboring town. Mr. Dorsch is going to be moving to the area with his family. He has a new perspective to bring to the teaching world of St Patrick's with his military background along with training in many different fields! Furthermore, Mr. Dorsch has been a catechist of students of all ages and is always willing to share the faith! Welcome to the St Patrick's team and thank you for taking on our future 7th grade class!

Our third hire of the summer is a more familiar face. Miss Bridget Gunther is joining the team of teachers after the many events and times that she has worked with St. Patrick Families or subbed at the school. Bridget has been a part of Education in many different ways; with children daycare age up to eighth grade. Bridget is a community member and former student from St. Patrick's. She will be teaching our second grade class and we are so excited to have her our team! Welcome, Miss Gunther.

Our newest addition to the staff is Mrs Gina Boppart. Gina is also a member of the St. Pat's Church and active Community member. She brings not only her experience from substitute teaching in a variety of settings, but also the flexibility and desire to work and be part of our team. Mrs. Boppart, we are happy to have you with us, welcome!

We have many returning staff that we are also grateful for! Mrs. Toni Stoughtenger will be back in pre-K with a full class and have support from Mrs. Fenske and Mrs. Walhovd. In our kindergarten class, we have Mrs. Vinopal. Mrs. Czys will be starting her second year with us in 1st grade. The fifth and sixth grade duo will be back in action with Ms. Larkin and Mrs. Catterson. Mrs. Whitney is beginning a new adventure with the team by moving up to 8th grade. Mrs. Rogus will be back to support and help each of our classrooms too. Each of our specials teachers: Mr. Butcher, Ms. Cross, and Mrs. Steen, will be back to their routine of helping support all of the students in the arts and programs specific to their fields. Tammy is back and excited for some changes in the kitchen this year. Anita will be in the office to greet us each day and do all of the things she does to hold us together. We appreciate the team work and support from our veteran staff and we have many wonderful mentors to help our new staff get off to a great start.

I am happy to be back and continue working with the amazing families, staff, and community of St. Patrick's too!

We currently have an opening for 4th grade but know that God has a plan. We are a team and will do everything we can to fill the position with a qualified teacher. If we do not find a teacher, we will fill from within with qualified staff. Please let us know if you are interested in a position or if you know someone who would be interested.

Continue to pray for our staff, students, families, each other and those that may be considering joining the St. Patrick's family. It is a blessing to get to share the faith and be a part of this wonderful community.

Blessings,

**Toni Ross**

# *Welcome to our new teachers!*

Hello, my name is Bridget Gunther and I am the new second grade teacher at St. Patrick's. I am an alumni of the St. Patrick's class of 2016. I have recently graduated with a degree in Early Childhood Education and plan to continue a few online courses to further my degree in Elementary Education. I have spent a lot of time volunteering and working with both the school and parish over the last years. A little more about me is that I love to be outdoors doing various activities including hunting, fishing, camping, kayaking, and so much more! I like to spend lots of time with close friends and family. Going thrift shopping and getting the best deals is also one of my favorite things to do when not working. I am excited for this new chapter of getting to work with your children and be a part of the school community!

A former U.S. Marine and Special Agent of the US Diplomatic Security Service, Tom Dorsch has served our country since 1976.

In 1991, after considerable overseas tours in challenging environments, Mr. Dorsch took a hiatus to develop "Pathfinder Unlimited", a Wisconsin-based outdoor adventure school where he instructed over 1,000 adults and children in the art of wilderness survival.

In 2001, Tom was requested by the US Office of Anti-Terrorism Assistance to return to overseas service in South America, Africa, and Iraq where he served as a mentor and training consultant for protection operations.

Always seeking to promote religious education, Tom found time to serve as a catechist for second, fifth, and seventh grade students at St. Mary's in Huntley, Illinois and St. Leo's in Fairfax, Virginia.

Tom is the author of the pro-Christian high adventure trilogy entitled, "Where Angels Dare." He is married to his wonderful wife, Claudia, and is the proud father of his adorable daughter, Isabella.

By providence, Tom was guided toward St. Patrick's School where he will once again serve our country as a seventh-grade teacher.

Education: Bachelor Degree and Master's credits in International Relations

Hobbies: Reading, writing, hiking, and all things outdoors.

Favorite quote: "The impossible is often the untried."

# *A Word from Father*

August means we are gearing up for the return of school and all the activities that it brings. I know that I am looking forward to it. I always miss all of the kids and staff. So welcome back to Toni Ross and our staff. To all of our students as they advance a grade and prepare for a new adventure in a new school year. Welcome to our new teachers and students who are joining us this year. Whether in 4K or any grade it can be very exciting and a time of being nervous, yet we are happy you are with us. A new year brings change too. Cassandra Thayer, our DRE/Youth Ministry person is moving on to a new chapter in her and family's life. We wish her the best of God's blessings in this new endeavor. At the beginning of August we are looking for someone to take on that important role for our young people and our parish. Not only keep that intention in prayer, encourage someone you know that would be a great fit and who is able to bring the needed skills to such a position to contact the parish office. Thank you to all who were a part of the VBS program this year. That is another wonderful way to grow in faith and touch the lives of our young people. At the school itself our summer project of the new heating & ventilation is on schedule. NAMI and Gray Electric have been great to work with and are preparing the building to be all set for the heating season when it comes (hopefully not too early!) With great joy I welcome you back and look forward to seeing your smiling faces. God bless the rest of your summer.

-Fr. John
