

# RULES FOR ADORNMENT OF LOTS

- All decorations (floral or otherwise) shall be located at the end of the monument. Nothing in front or back of the monument.
- Decorations may be securely attached to monument.
- Decorations of or in glass or placed in the ground on a wire stem, if in the mowing line, will be removed.
- No grading, landscaping or disturbing of lawn permitted without approval of management.
- No planting of any trees or shrubs.
- All decorations must be removed prior to spring cleanup. (check with parish office for date)
- All waste must be disposed of in dumpsters.
- Management is not responsible for any theft, vandalism or damage to any monument or ornamentation.
- Management is not responsible for those ornaments that are gone because of the wind, which is common in this cemetery.
