Christ's Compass— Refresh in Lent

Dear Brothers and sisters in Christ,

Every year I write multiple Lenten messages. With the current circumstances of the health related restrictions, a new perspective on an oft repeated sense of our Lenten preparation may be instead, to “refresh” our need to use these weeks of fasting, prayer and almsgiving.

Be refreshed in the somberness of Lent. At first glance this may seem a paradox. However refreshment lies in the expectation that this year's Lenten journey will be the pre-cursor to leave the pandemic behind, even if it actually continues for a short while past Easter.

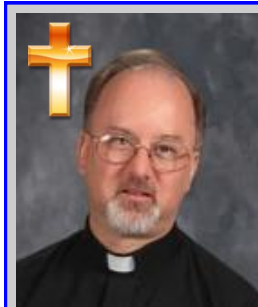

We could look upon this last year of mask wearing and social distancing as continuation of last year's Lenten experience. You will certainly recall we were in Lent as the crisis began.

Refresh yourself in the knowledge we will be coming to an end of our year long penance with the dawn at Easter. While it is somewhat likely we will still experience masks on April 4th—Jesus' Resurrection overcomes our year long Lenten experience of isolation and cancelled events. It is certainly the case then that this year's journey will be a great refreshment compared with this past year.

It therefore becomes incumbent on us to make our preparations. Give thoughtful prayer to how you will participate in the Lenten experience. Look upon all three aspects of Lent, prayer, fasting and almsgiving, as ways to “refresh” your spirit in anticipation of the Resurrection of Jesus.

The Council Compass—Men and Families Invited

Steve Hesprich, Grand Knight

I invite all practicing Catholic men, 18 years or older, to become part of our family of brothers who wish to help people in need, and to build their own faith and that of their family.

We've all come to know, what we don't know — when the pandemic and its health restrictions will come to an end. In spite of and because of, the pandemic, we all should have a greater awareness of needs in our community. We need more men, and families, to become part of our Catholic fraternity.

The State Council of the Knights has offered our council a special financial incentive, worth \$230, if we have one new member join before March 16th. Whereas this would be money we would send as per Capita to the State Council, it would become instead money we could use for charity, such as for the local food bank.

Using online membership, the first year membership in the knights is free. If you know someone who would like to join, or perhaps was a knight in the past, to rejoin, please let me know.

While the formal members of the Knights are men, the Order has increasingly sought the active involvement of families of men in four areas: Faith, Community, Life and of course Families. As our culture moves precipitously down the slippery slope of anti-faith policies and actions, we see a great threat to all the precepts taught by Jesus Christ. No lay organization in the Catholic Church is better positioned to help strengthen and build up the central foundation of society—the family! It does require men, encouraged by their families, to join and participate in the many noble works of the Knights to re-energize our faith and rebuild a moral society.

May all families find new strength and involvement in family and parish life in 2021.

Family Compass— Jim & Jeri Kolba December 2020 Family of the Month

By Jon Field, Family Director

The Solomon Juneau Knights of Columbus Council's December 2020 family of the month is James and Jeri Kolba. Jim and Jeri have been lifelong members of the St Patrick's parish and active in church & many, many church organizations. Jim's working career involved working for the Juneau County Highway Shop & the United States Postal Service. Jeri was the long time Juneau County Register of Deeds.

Undoubtedly, one of Jim's biggest accomplishments is having served as the KC's longest serving board member, acting as treasurer for 60 years! We have always been thankful for Jim's guidance, financial thriftiness and wonderful attention to detail for the council's business matters. There are many other activities throughout church but highlighted by friends at St Pats is his faithful working of the dishwasher during funeral dinners and his fall festival ticket sales.

Jeri is known throughout the parish for her tireless hours of volunteering for the church. When she retired from Juneau County, you were more apt to find her at the rectory than at home. Just some of the activities Jeri has been involved in over the years: secretary of the Education Committee for 50 years, plant & flower arrangements for funerals & helping with funeral dinners, the Lady of Fatima Circle, & raffle ticket accounting at the fall festival. She started and manages the very successful Scrip program for school fundraising. She maintains the scrapbook history of the parish.

The volunteer hours these two spend in service to parish activities are immeasurable. You won't find two more dedicated people at St Patrick.

Hunters' Raffle

For the second year our council is sponsoring a raffle of hunting weapons. Last year we raffled 3 rifles. This year will be providing two rifles and a bow, each with a

scope. Tickets are \$10 each or 3 for \$20. The raffle benefits two causes: Our school's science program and the Westside School Clothing Closet. The drawing will take place at 7pm on Tuesday April 20, 2021 in Reardon Hall. All are welcome to attend. We will be providing refreshments and adhere to recommendations to wear a face mask, and social distancing. Tickets are available in the parish office or from any member of the Knights. Monies can be sent to or dropped off at the parish.

No-Bake Pancake Breakfasts

Howard Boppart, Community Director

Our next "No-bake" Pancake Breakfast—to benefit the 5th grade class at St. Patrick's school—

is Saturday/Sunday February 20/21. For each of the preceding 3 breakfasts, well over \$500 has been raised for each thanks to the wonderful generosity of parishioners and the opportunity to involve those at the Saturday 5pm Mass. For our December 19/20

"No-Bake" breakfast the net proceeds of over \$500 were raised to benefit the 7th grade class who along with Knights handed out bananas and oranges in exchange for donations to help provide an activity for the class.

On January 23/24 we had the no-bake breakfast to benefit the 6th grade, which raised over \$500.

New Supreme Knight—Patrick E. Kelly

From Supreme Web Site (www.kofc.org)

Beginning March 1, 2021 after some 20 plus years, the Knights of Columbus will have a new Supreme Knight, Patrick Kelly. Carl Anderson has reached the mandatory retirement age for the role of Supreme Knight. The Board of Directors elected Deputy Supreme Knight Patrick Kelly to take over the reigns of the Knights of Columbus.

The Knights of Columbus Board of Directors elected Patrick E. Kelly as the 14th Supreme Knight on Feb. 5, to continue the mission of charity, unity and fraternity established by the Order's Founder, Blessed Michael McGivney, almost 140 years ago.

Mr. Kelly's election as Supreme Knight follows a distinguished career in the Knights of Columbus, the military and public service. For more than 25 years, he has a demonstrated track record of service to Church and country, which will serve him well in advancing the Knights' mission of Charity, Unity, Fraternity, and Patriotism.

Mr. Kelly has served as Deputy Supreme Knight since 2017. Prior to that, he served as Vice President for Public Policy for 11 years, spearheading the Knights' interaction with the White House, Congress and federal agencies. He has also served as State Deputy in the District of Columbia. As a longtime executive and fraternal leader of the Knights of Columbus, he has consistently strengthened its record of charity, advocacy, insurance, investment and membership growth.

Mr. Kelly served as the first executive director of the Saint John Paul II National Shrine in Washington, D.C., and oversaw the renewal of the facility after its purchase by the Knights in 2011. During his tenure, the shrine became a leading pilgrimage site and a source of education and inspiration for Catholics throughout the United States and the world.

Prior to his leadership roles in the Knights, Mr. Kelly pursued a lengthy career of public service. Most notably, he was Senior Advisor to the Ambassador-at-Large for International Religious Freedom at the State Department from 2005 to 2006. His responsibilities included serving as the Department's principal liaison with the Holy See and assisting with the formulation of U.S. foreign policy on religious freedom worldwide. He led U.S. delegations to the World Summit on Islamic-Christian dialogue (2005), the UN conference on interfaith cooperation (2005), and annual Sant'Egidio conferences. He has also held advisory roles on the House Intelligence Committee and the Department of Justice, where he specialized in counterterrorism and national security.

Mr. Kelly served in the United States Navy for 24 years, on land and sea and on active duty and reserve status. As a Judge Advocate General, he specialized in international and operational law and served as the Commanding Officer of the international law unit at the U.S. Naval War College. He served on the staff of the Deputy Chief of Naval Operations and aboard the USS Guam as the Staff Judge Advocate for Amphibious Squadron Two. His personal awards include three Navy Achievement Medals, five Navy Commendation Medals and the Meritorious Service Medal. He retired from the JAG Corps Reserve in 2016.

Mr. Kelly has served as consultant to three committees of the U.S. Conference of Catholic Bishops (USCCB) for more than a decade: The Committee on Pro-life Activities, the Committee on Religious Liberty, and the Subcommittee for the Promotion and Defense of Marriage. Mr. Kelly has been the Chairman of the Board of Directors of the March for Life since 2012. Under his leadership, the March for Life has become one of the most effective pro-life organizations in the world. He has also been a member of the Board of Directors of the National Catholic Bioethics Center (NCBC) since 2013. He has helped guide the NCBC in its mission to promote respect for the dignity of each human being through an understanding of how the moral teachings of the Church apply in health care and the life sciences.

Mr. Kelly holds a master's degree in theology from the Pontifical John Paul II Institute for Studies on Marriage and Family at The Catholic

University of America, a law degree from Marquette University Law School and a bachelor's degree in economics from Marquette University, where he joined the Knights of Columbus in 1983.

He and his wife, Vanessa, have three daughters.

As we close an incredible evolution of the Knights in the past 20 years under the leadership of Carl Anderson, the Knights are well positioned to continue its strength of membership and leadership to build up the body of the Church which is Christ risen.

Leave No Neighbor Behind

This past fall the council voted to provide the local Mauston food pantry with financial support. Jim Kolba had indicated the Mauston Bank had a matching contribution program. Our council contributed \$400 which was matched by the Mauston Bank, bringing the effect of our donation to \$800.

Children in the Womb Have Rights

By Steve Hesprich

On Sunday January 24th the annual Juneau Country Right to Life March took place by presentations on why life is precious from conception onward. About 70-90 people then processed around the Country courthouse for 48 minutes, a minute for each year since the tragic ruling of the Supreme Court in Roe vs Wade in 1973.

Approximately 8-10 people from our council families participated in the March. What was very gratifying to see were the large number of young people participating in the March. The cause for the life of the unborn has much to overcome. However we do have a God who loves the unborn.

Family Estate Planning

By Tim Nowak, FICF, MDRT

We will be having a statewide event in February on the 23rd at 7 pm, another Fraternal Benefits Night. Both members and non-members and their families are welcome to join this virtual workshop. I hope you will promote the new live event at your parish and council to get as many parishioners to Zoom with us. The event will be with Brother Daniel Purtell who is an Estate Planning Attorney and me, the General Agent, discussing the benefits of a proper plan and how by doing a few basic steps you can be prepared for all the coming years in your families lives. Please spread the news and look for ways to promote the Benefits night in February.

Attorney Daniel Purtell is an Estate Planning Law Specialist and Accredited Estate Planner® as certified by the National Association of Estate Planners and Councils and accredited by the American Bar Association. Attorney Purtell is an active member of Wealth Counsel, Elder Counsel, the Wisconsin Council of Estate Planning Attorneys (former president), the Madison Estate Council, and the State Bar of Wisconsin (Real Property, Probate and Trust Law Section). He is also committed to his community through involvement as the executive director of a youth lacrosse club and through various charities.

I, Tim Nowak, am the Knights of Columbus General Agent for the entire state of Wisconsin, and the Michigan upper peninsula. I joined the Knights of Columbus in 1999 and became a field agent in 2010. My wife Judy and I have been married for 30 years and have two sons, Wynston and Cooper both are brother Knights. Judy works for Tim and the Knights as the Home office Assistant for the Nowak Agency.

It was a vision of our founder, Blessed Michael McGivney to protect families in not only their faith, but also financially ensure a secure future.

NOTE: The Solomon Juneau Council will hold a watch party for this event beginning at 6:45pm in Reardon Hall.

Compass Minutes—January Meeting

By Tom Jodarski, Council Recorder

Meeting began at 7pm. After opening prayer and pledge the minutes of the December 15, 2020 meeting were approved as written and earlier in the day communicated by email to the membership. Chaplain's report: Fr. John read from the "Knights to Christ" reading on Patriotism dealing with having reverence for all life. In the story was this quote from Hubert Humphrey: "The moral test of government is how it treats those who are in the dawn of life, the children...in the twilight of life, the aged...in the shadows of life, the sick the needy, and the handicapped."

Fr. John told us about upcoming events: Every Friday Adoration with Benediction 3-4pm in the church except first Fridays (next date is Feb 5th) when adoration is from noon to 6pm. The Knights are responsible for a presence from 4-5pm. January 23/24 weekend Masses we have a priest from Cross Catholic International who will be the celebrant and talk to us about the organization he represents. Ash Wednesday is February 17th.

Fr. John took some time to visit and Supreme web site and was impressed with numerous videos the Knights have produced. He encouraged all members to visit the site – www.kofc.org – and explore the videos especially the one on the home page that reviews what the Knights have done in 2020.

Grand Knight report: The State Deputy sent an email announcing that the State Convention May 1-2, will be offered both in person and virtual. Delegates and attendees can decide which they prefer to do. Steve was not able to get a January newsletter sent. The February issue will go out to members before February 12th. In the weekend bulletin February 13th/14th will be the first two pages of the newsletter.

We have a new Honorary Life recognition, Dale Pellegrini. We will look for an opportunity to present him his lifetime honorary life card. We will do a profile article on Dale in a future newsletter.

There was no Treasurer report.

For membership, Supreme has again extended the free online membership, now to the end of the fraternal year, June 30, 2021. If our council recruits one new member from January 1 – March 15th, the council will not have to pay April-September state per capita. That one new member means a savings to the council of roughly \$230 (55 dues paying members x \$4.25). We do have one online member who still needs to take his exemplification to be transferred to our council and that would count for the one new member.

There are some Supreme deadlines coming as follows (must be done as part of Star Council qualification):

January 31st – Annual Fraternal Survey – every member should have gotten a dues statement that contained this survey which we asked be returned with dues payment.

January 31st – Special Olympics Partnership Profile [has been submitted]
February 15th – Semi-Annual Audit

Family of the Month for December is Jim and Jeri Kolba. The submission to Supreme and State was passed around the room for all to review. Our Family of the Year must be selected and submitted by February 15th. The Family of the Year must be a Knight and does not necessarily have to be one of our monthly selections. If you have someone you would like to nominate, contact our Family Director Jon Field.

Our council Free Throw contest will be Sunday January 31st in the school gym. Registration is from 11-noon, with the contests starting at noon. If you can help, we need volunteers to arrive before 11:30am so

instructions can be given on how to help. Randy Boehm is chairing the event. If you can help contact him at 847-4588. Best time is Monday thru Thursday 6:45-8pm.

January 23/24 Masses will be the "no-bake" pancake breakfast benefiting the 6th grade. Volunteers were requested. Howard Boppart and Steve Powers are covering the 10am Mass, Steve Hesprich and Randy Boehm will cover the 8am Mass. Steve Hesprich and perhaps Dick Schwab will cover the 5pm Mass. If you can help after the Mass you are attending, just come to the gathering area after Communion.

The 5th grade "no-bake" will take place February 20-21 after the Masses.

Steve Powell reported on the sales of the State Raffle. He's collected roughly \$1500 to this point. It is a bit behind last year. All the members should have received in the mail a packet of tickets to sell. Please get those to Steve Powell. He will be at the 10am Mass this weekend helping out with the "no-bake" so maybe even get the sold tickets and money to him then.

A flyer was handed out for this Sunday's "March for Life" taking place at the Juneau County Courthouse from 1pm to 1:48pm. We are marching for 48 minutes, a minute for every year since Roe v Wade.

Raffle tickets for the "Hunters Raffle" were distributed. 5 Packs of 3 will be sent out to members sometime in the next 10-14 days. Tickets are \$10 each or 3 for \$20. We are raffling 2 rifles and a bow. [space not able to show all]

Free Throw Contest A Winner!

By Randy Boehm and Jon Field, Free Throw Co-Chairmen

On Sunday February 7th, 2021 the Solomon Juneau Council of the Knights of Columbus held its annual Free Throw contest for all boys and girls ages 9 through 14. There were 20 contest participants. Each contestant, ages 9 through 14, boys and girls divisions, threw 15 free throws. There were 4 contests which required a run off as two in each of those groups had the same number of successful throws. Because of COVID District and State competitions will not be held. The names of council winners will be sent to the State.

In the photo below we have all the winners of each group, along with some of the Knights who ran the contest. Not shown are Steve Powers and Steve Hesprich.

Family Compass— Fr. John Potaczek “Family” of the Month

By Jon Field, Family Director

The Solomon Juneau Knights of Columbus Council's November 2020 family of the month award was presented

Jon Field presents the November Family of the Month to Fr. John Potaczek

to Fr. John Potaczek at the 10am weekend Mass Dec. 13th.

It was my great honor to present our Pastor and council chaplain this small acknowledgement of his value to all of us. Pastors don't often receive the acknowledgement they are so deserving to receive. This past year Fr. John had to endure replacing our school principal twice in two months, to say nothing of the unique challenges he had to endure (and continues to deal with) with the COVID crisis.

When you see Fr. John, thank him for his wonderful pastoral service and friendship.

Family Compass—Harry & Shirley Buttner January Family of the Month

By Jon Field, Family Director

The January 2021 Family of the Month is the Harry and Shirley Buttner family. Harry has been a Knights of Columbus member since 1956 and he and his wife Shirley have had a lifetime of service to St Patricks Parish and the Knights. The Buttners have been married for 49 years and have been blessed with 3 children and 7 grandchildren.

Harry served for four years for the US Navy during the Korean Conflict and retired from Volk Field vehicle maintenance in 1989. Shirley was busy raising her three sons. Harry has served the KCs in capacities of financial secretary, recorder and lector. He has served St Pats on the parish council as member and chairman, lector and extraordinary minister at mass and in the choir. Shirley is a current member of the liturgy committee and leads the rosary at the nursing home. Both Harry and Shirley have been CCD teachers. When our current pandemic conditions lift and we can all freely be together, we need to thank these two for their many years of service and give them an appreciative hug, giving them back the love they've given all of us.

Toward Star Council

By Steve Hesprich, Grand Knight

In the moments before we conducted elections in July for Grand Knight, I made it very clear that if members voted for me, they should know that Star Council was to be a goal. I am grateful all present on July 18th voted for me to become the Grand Knight. We have a wonderful group of men and families and it has been satisfying to develop friendships and serve others.

Only about 15% of councils achieve this goal. In the time of Covid, Supreme has lightened the requirements, knowing that councils are more constrained in activities. The reason for Star Council recognition, is not simply for recognition. Over the decades Star Council has been awarded, it is more of a testament that a council is performing those activities that are the hallmark of the Knights — that being the charity, unity & fraternity upon which the vision of Fr. McGivney was built.

Now that we are just past the halfway mark of the fraternal year, it is time to take stock of our status toward that goal. Let's begin by first describing the components of Star Council. The details we'll cover only apply this fraternal year because of Covid.

The Star Council Award recognizes outstanding achievement in membership, insurance and programming. In order to achieve the Star Council Award, a council must earn 1) the Father McGivney, 2) Founder's, and 3) Columbian Awards. Additionally, 4) the council must submit both the Annual Survey of Fraternal Activity (#1728) and Service Program Personnel Report (#365). 5) A council must be fully compliant with applicable safe environment requirements.

Let's break this down as to what we've completed and what remains to be done on or before June 30, 2021.

1) Fr. McGivney Award (25% of goal)

The Father McGivney award recognizes excellence in a council's membership growth. Our council must meet or exceed our membership

quota of 4 net members using council's membership as of July 1, 2020.

We have an interesting issue in play right now because the

One new member by March 15th for our council means the council will save \$230+ in State per capita; that is \$230 that could be used for a charitable cause.

State has an incentive for councils who get a designated number of new members (different for each council based on member size) between January 1st and March 15th. They will not have to pay state per capita for the April through September period. Our quota is one NET new member. If we achieve that, the council will not have to pay approximately \$230 in per capita for the State. It doesn't take a rocket scientist to understand this \$230 could be used by our council to support a charity of our choosing.

We have a net of one new member so far this fraternal year, but that was in July 2020. Including the one we need to join by March 15th, we have three new members still needed to achieve the Fr. McGivney Award.

2) Founder's Award (50%)

This award recognizes excellence in a council's promotion of our top-rated insurance products. To win this award our council must host two approved Fraternal Benefit Seminars, in conjunction with our Field Agent, Greg Helgerson.

To date we have hosted one Fraternal Benefit event. For the second one we are looking to see if a retirement seminar we promoted heavily in October might count. However there is an excellent Estate Planning seminar coming our way virtually (see article on page 4) that may allow us to qualify if the October one does not. Even if it does, this is an excellent seminar to attend.

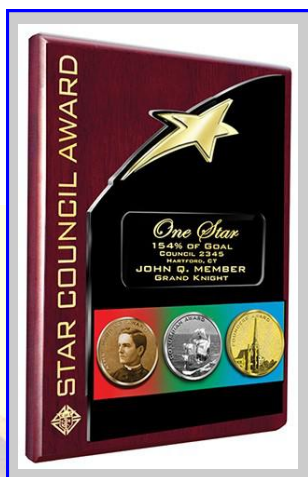

3) Columbian Award (50%)

This award recognizes excellence in a council's programming and charitable outreach. To earn this award our council must conduct and report programs in each of the four program categories (Faith, Family, Community, and Life) for a total of 16 program credits, with four in each category. Here's what I see as accomplished to date:

- A) Faith—Memorial Mass Nov 2, 2021 along with 4-5 times per year a Mass intention; Council weekly Adoration. We need two other activities.
- B) Community—Fall Festival root beer floats; No-bake breakfasts; Leave no neighbor behind (support of local food pantry and food boxes); Hunter's Raffle (in progress). We have met the requirement of 4 activities.
- C) Family—Recognizing a family of the month for all 12 months (we've done 7 so far), will earn us 2 activities; We just completed the Free Throw Contest, leaving one more activity.
- D) Life—We participated in the Life Chain; Also the March for life. We have two activities remaining.

4) Reports (80%) & 5) Safe Environment (100%)

All completed except January Semi-annual Audit due 2/15.
