Christ's Compass—Pray the Rosary

Brothers and Sisters in Christ,

Brother Knight and promoter of the Rosary, Father Patrick Peyton, CSC, famously said "the family that prays together stays together." The Rosary is a particularly powerful prayer, not only for Knights but for their entire family. By offering opportunities for families to pray the Rosary together, Knights provide an example of the strong prayer life that is so necessary to face the difficulties families face in the modern world.¹

October is an excellent month to pick up this practice as the Rosary and Mary together are celebrated this month. There are many rosary resources on Catholic web sites.

The Knights have had a long, strong devotion to the Rosary. When a man becomes a Knight, part of the ceremony instructing the new member, is a presentation of a rosary. The new Knight is admonished to "carry the rosary with you always, and pray it as often as you can". I recommend that part that says "often as you can" to be daily, preferably with your family. I sometimes hear as a general criticism that the rosary is 'too repetitive'. I'm here to tell you, that's the point and the strength of the rosary. The rosary, and any Catholic prayer, is designed to be repetitive. Repetition in prayer strengthens our faith. Another associated critique is the repetitive prayer of the rosary is 'boring'. IGNORE the boring, and pray because you must. How often do you say to those you love, 'I love you' - Only once in a while because they've heard it before, or it's too routine (boring) to say frequently? No if you love someone, you tell them often that you do value your relationship with them. How is God any different, and if anything, wants to hear it more often.

God's mediator in the rosary is Mary. In her mediation through prayers like the rosary, she always... always, is pointing to her son Jesus! When Mary goes to Jesus to intercede for you, he listens especially to her intercession for us.

Council Compass— Our Order's Namesake and the Rosary

Steve Hesprich, Grand Knight

Families of St. Patrick and St. Mary's:

Welcome to the month in which Knights of Columbus honor Christopher Columbus! On October 10th we celebrated Columbus Day as a national holiday in the United States. In recent times, this day has become a day of protest against the founder of our Order in which his contributions leading to the establishment of our country have come under scrutiny. This is the day we stand up strong and proud with all Knights and celebrate not just our name's sake, but the many contributions he made. Celebrate the good that Christopher Columbus did.

Pope Francis has invited us all to pray the Rosary: "I invite everyone to rediscover, especially during this month of October, the beauty of the prayer of the rosary, which has nourished the faith of the Christian people through the centuries." (October 7, 2020, Audience)

Larry Mueller
receiving Rosary as
a new knight

In the month of October St. Patrick's parish has encouraged all of us to pray the Rosary. We are encouraged to pray it daily, not just this month but each day, now and beyond the month of October. The Knights of Columbus strongly encourage a frequent recitation of the Rosary, which is even built into our ceremonies when a man joins the Knights as Fr. John explained in his "Christ's Compass" article, and I repeat it here: "Carry the Rosary with you always, and pray it as often as you can".

We welcome all men to join, and by extension, their families, who wish to have the direction in their lives conform to a stronger Catholic life especially in praying the Rosary.

Vivat Jesus!

A Life Well Spent

Memorial Mass for Deceased Knights

It is an irony in our society that we don't remember all the good things people have done in their lives until they are no longer with us. Then after a short time, we simply move on to other things, thus minimizing or forgetting to honor those wonderful people. November is the month

**We invite Knights, the widows, families and friends to join us on All Souls Day for a memorial Mass at St. Patrick's:
Wednesday November 2nd 6:15 pm**

we remember those who have passed to eternal life. In particular, we want to remember those who we cherish as members of the Knights of Columbus.

On **Wednesday November 2nd at the 6:15 pm Mass**, our council will be commemorating the passing of our council members over the past number of years (2012 to the present). While we will remember all former members of our council who passed away as members, we will honor, by name, those members who have died since 2012. Here are the Knights we will honor by name:

Compass of Rural Life

September 21, 2022

Roughly 300 people attended the 41st annual La Crosse Diocese Rural Life Day, this year hosted by the Jack and Pat Herricks at their farm near Cashton. The highlight of the event was the Mass celebrated by Bishop William Callahan. After the Mass a number of different recognitions were given including one particular recognition of the Steven Powell family. Steve & Jane along with their son and daughter, Bill and Keilah, received the "2022 Strangers and Guests Award". The nomination, submitted by Gina Boppart read as follows:

*Saint Isidore and Saint Maria
Isidore is the patron saint of farmers
and rural communities*

"This family farm has been in operation for over 150 years! The 5th generation of the Powers Family currently manages and works the farm. A holistic and familial approach to farming continues in the day-to-day operations of the farm. No doubt, the 6th generation of Powers will one day run the farm. Even as children, they are heavily involved in the work. Steve and Jane, are attentive to the legacy they are building around the farm. They are committed Catholics who have passed down the faith to their children and grandchildren. Steve is an active member of the Knights of Columbus and Jane is the president of the Parish PCCW. Their son and daughter are also active members of the Parish and school."

Once many acknowledgements and recognitions, as well as speakers were completed, the Bishop and priests, including our own Fr. John Potaczek, processed out of the machine shed which served this day as the chapel for Mass.

What does it mean that Bishop Callahan and Fr. John Potaczek are illuminated in the photo above but no one else? You can ask Fr. John!

Bishop William Callahan continued with the altar servers and Knights of Columbus Honor Guard, to the area of the farm that had animals, farm machinery and harvested crops, to do a blessing. Afterwards a luncheon awaited the many attending. Indeed we can say that rural life is a compass that reflects the values of our faith.

Punt Pass Kick

Jon Field, Chairman Punt Pass and Kick

The first 2 of 3 levels of competition of the annual Punt, Pass and Kick contest being conducted by the Knights of Columbus are in the books. Both events took place in Mauston.

Our council competition took place on Tuesday, September 27th with a wonderful turnout of boys and girls in the community from ages 8 through 12. In the

picture to the right you can see all our local competitors. First place finishers moved on to the Diocesan contest. Here are the results of our local council event:

Age	Boys	Girls
8 yrs	Mason Tischer	Maci Andres
9 yrs	Jaden Steinke	
10 yrs	Michael Murphy	Molly Murphy
11 yrs	Kaleb Jay	Elayna Cordero
12 yrs	Jace Navis	

We had a good cadre of Knights to assist with this event including Steve Powers, Kevin Quist, Jon Field, Tom Jodarski, Darrell Hines, Howard Boppart, Matt Schwab, and Dick Schwab.

The next level of competition was the La Crosse Diocesan match. Competitors from 6 councils were present. The event took place on Sunday

October 16, 2022. Despite cold and wind, the participation was enthusiastic and competitive. From this event the 1st and 2nd place finishers go on to the State matchup which will take place in De Pere on Saturday November 5th at the High School Stadium (1700 Chicago St).

We had competitors

from as far as 2 hour drives away. Here are the participants from Mauston who will be going on to State:

Jaden Steinke 9 year boys
Mikey Murphy 10 year boys
Molly Murphy 10 year girls
Jace Navis 12 year boys

We had tons of help from Mauston helping with the 3 simultaneous lines we ran to expedite the contest. Those helpers included Howard & Eli Boppart, Kevin and Maddie Quist, Jon and Carter Field, Dick and Matt Schwab, Darrell Hines, Steve Hesprich, and two high school football players Tanner Winker and Espyn Sweers. The La Crosse KC Program chairman Gary Wolf and one of his council members, Don Ciseski, also helped.

Compass Minutes—September

Tom Jodarski, Recorder

The September 20, 2022 council meeting began at 6:59 pm. Minutes of the August 16th meeting were approved as published in the August issue of **Knights' Compass**.

Fr. John read from the "Knights to Christ" entry on "Charity is all that matters in the end". The story was of a physician talking about those nearing the end of their life. He doesn't hear about the degrees or career they had. What matters at the end of our lives is who you loved, and who loved you.

Fr. John talked about our "Inspired by the Spirit" pledge drive, that the monies we receive will go toward repainting the inside of the church. He gave an update on the heating/cooling system. Work is almost done and will probably continue into October with small items. He went on to talk about the Rural Life Day taking place the next day, Sept 21st. The Bishop does a Mass and blesses animals, machinery and crops. There will also be a luncheon. [see earlier article on Rural Life Day].

Our council did two donations to the Women's Care Center for \$500 each. The first \$500 was for the ultrasound program led by the Hillsboro council. The second amount for \$500 was for general use by the Women's Care Center, and applied to the new ASAP program of Supreme, Aid to Support After Pregnancy.

Treasurer's Report: General Fund has \$3,118. The Charity Fund is \$1.07.

Fr. Cryton was present. We talked about what he might like assistance with at St. Mary's. He mentioned establishing and running a food pantry. There is no food pantry in Lyndon Station. GK Steve described the institution of the Round Table at the end of Mass on August 23rd. There were 7 men who were presented rosaries by him after Fr. Cryton did a rosary blessing assisted by Brian Fox. The Hillsboro council set a goal of raising \$20,500 for an Ultrasound machine. They are within \$200 of reaching \$30,000! People are generous and supportive of life.

GK Steve talked about a Supreme program called the "Shining Knight Award" to encourage members to be active in their councils. We will institute this program in our council. Steve Powers has received the State Raffle tickets from State.

Regarding the Round Table meetings at St. Mary's, Steve Powers suggested we hold one or two of our council meetings at St. Mary's. The Round Table is a subgroup of our council, with a focus on St. Mary's needs. Tom Jodarski reported on the status of the gun we have been waiting for. Still waiting, as the winner really wants that particular rifle. Jim Kolba reported on the chocolate milk shake sales at the Parish Festival that we had gross revenue of \$218, expenses of \$127, for a net of \$91. A motion was made and seconded, and voted upon to give the \$91 to the School (for which the purpose of the Festival was for).

Prayers were asked for Bob Walsh, and for Brother Knights in Puerto Rico as they rebuild. Meeting ended at 7:50 pm.

Seeing Stars

Steve Hesprich, Grand Knight

We've talked in the last two issues of **Knight's Compass** about having earned the Star Council Award for the 2021-2022 fraternal year. Recently the actual award was delivered. Let's take a closer look at what this award means for a council and the Solomon Juneau council in particular.

Why does this recognition exist? The reason is very simple. What do

councils need to be focused on to make the greatest contribution to their members and families, the parishes in which they serve, and the communities around the parish; never mind the larger areas of dioceses, states, the nation and the world? The Star Council Award answers this question.

There are 305 councils in the State of Wisconsin representing roughly

35,000 Knights. 11% of Wisconsin councils attained this recognition. The Supreme Council throughout its history has determined successful, contributing councils excel in three areas; Programs, Membership and

Only 10-15% of councils across the United States and Canada receive this award annually. It is even more rare for a council to achieve it two or three years in a row.

Insurance Benefits. It is to the benefit of the local parish to set such standards for a council as to make it a stretch to meet. There are also recognition for councils that achieve either one or two of these three goals. Further, these three areas are intertwined with one another. For example to do beneficial programs requires people to do the programs. It is a rhetorical question to ask: can more be done if there are more members? Further do we want to protect more families with our insurance products and other benefits of membership. More members mean more families protected.

We haven't talked about the faith and family aspects that contribute to a stronger faith community in the parish. Let's explore each of these three awards separately, then bring it together to see why Star Council is the ultimate predictor of a council's success and contributions.

You'll notice at the bottom of the plaque shown above, that there are three tokens. From left to right they represent contributions in membership, programs and insurance. Let's begin the discussion with programs, then membership followed by insurance.

The award for programs is called the *Columbian Award*. We are covering this first because it is the **programs** that are the reason for the existence of Knights. The changes in programs over the past 5-7 years are seen in the re-categorization of program areas from 6 to 4 categories. A council is encouraged to do 4 programs in each of four categories. Faith, Family, Community and Life. If they conduct 16 programs (4 areas times 4 activities in each area), they achieve the Columbian Award. Generally speaking, councils most often make these contributions. They can do more than 4 in a category, but in emphasizing some level of balance in each category, they set the standard of what is good to see in a council's activities.

Columbian Award

The *Fr. McGivney Award* is given to councils who meet a particular **membership** quota for the fraternal year (July 1 to June 30).

The quota is a particular percentage of the council membership at the beginning of the fraternal year. It is then converted to a number rounded. For this past year our goal was net membership growth of four members. We achieved five new members (125%). Many consider this the most

Fr McGivney Award

difficult of the three awards to achieve, for a variety of reasons. Because of that difficulty and the importance of being able to do more programs with a larger membership, as well as being able to offer protection to member families through our insurance products, we hear frequently from leadership at all levels of the knights, the importance of growing the council.

The *Founders' Award* goes to councils that host at least two fraternal benefit events, strongly promoting those events not only among member families but also the community at large. The primary reason our founder, Fr. Michael McGivney, founded the Knights was to offer financial protection to Catholic families who often were refused insurance because they were Catholic.

Founders' Award

Programs, membership, and insurance are inseparable when it comes to a strong Knights council. And the Star Council exemplifies the unity of the three. Sounds a little like the unity of the Blessed Trinity. Let's be a Star Council in 2022-2023.

Charity is Our Compass

Taken from the October 2022 issue of the Wisconsin State Council Newsletter

What is Wisconsin Knights of Columbus Charities Inc.? I am sure many of you ask this question, especially if you come to the State Convention. There is a 'break' in the convention, a special report given near the end of the convention and an election of Directors. That might be as much as many Knights know about Charities, Inc.

Wisconsin Knights of Columbus Charities, Inc., is not the charity committee and they have nothing to do with the yearly raffle. Charities, Inc. is a separate entity within the Wisconsin Knights of Columbus. Wisconsin Charities, Inc. is the 501(c)3 arm of the Knights of Columbus. Each Council is a 501(c)8 for tax purposes. You are charitable but you are not tax deductible for anyone giving you funds.

How does any of this benefit your council or the state?

Charities Inc. has been a great place to keep donations and funds as councils work to get an ultrasound in their area. It allows businesses to donate and get a tax deduction while helping to purchase the ultrasounds. It allows the councils to not commingle these funds as they continue to get donations.

Charities Inc., has been huge for one council who uses it in support of their Tootsie Roll Drive. Richland Center, 3492, asks businesses for donations through Charities, Inc which gives the business a deduction donation and allows the council to really increase the amount they raise. This council raises \$5,500 by the traditional drive and another \$5,450 by properly using Charities, Inc.

Charities, Inc. could be used by your council to support Special Olympics, either locally or in the Wisconsin Games Pledge.

Charities Inc. also takes unrestricted donations for the board to assist groups around the state, such as Coats for Kids, Special Olympics, and Ukraine Solidarity Fund. These groups all received funds from Charities this year.

What Charities, Inc., is not designed for is a pass through for councils to have events and business to get the deduction to pay for them. Ex: Bands, Council Christmas Dinner, Picnics, and so on.

The Charities Inc. Board has 7 members: John Huttenhoff, Miles Casey, Roland Breunig, Don Schoenherr, Daniel Miller, Duane Zaborowski and Mark Jelinek.

The Wisconsin Charities, Inc., Donation Form can be located on the website if you ever need it. It is also included: <https://uknight.org/States/donorform.pdf> Please let any of us know if you would like to know how Charities, Inc. can help you in doing good work for those we serve. Thank you for all you do for the Order.

Rural Life in the Honor Guard

Steve Hesprich, Past Faithful Navigator

Our Fr. Francis Heindl Assembly 1902 provided 7 of the 13 honor guard members who participated in Rural Life Day for the Diocese of La Crosse. We led the Mass

procession and at the end of Mass escorted Bishop Callahan to the area where the Bishop did a blessing of food providers, machinery, animals, fields and flocks.

Knights of the Round Table

First Regular Meeting of Knights at St. Mary's

In this issue of **Knight's Compass** we introduce notes from the meetings held at St. Mary's 'Knights of the Round Table' meetings. We conducted our first such meeting on Thursday, October 6th. We talked about the State Charities Raffle and members were left with 400 raffle tickets. First prize is \$50,000 or a Ford F150 XLT. More details will be given about the State Raffle in a future newsletter. Fr. Cryton needs help with liturgical duties, especially Lectors at the Saturday 7 pm Mass. He would like to see the Knights oversee a Food Pantry. We watched a 3-minute video that introduces the 'Into the Breach' video series. We will plan to show each of the 12, 10-13 minute videos that promote the faith study, as we meet each time. We discussed having a pancake breakfast at the parish borrowing the pancake maker used at St. Patrick [see the article 'Compass Minutes—October' for council response to help]. We are targeting a Sunday in March 2023 to hold that pancake breakfast.

We will be holding the February 21, 2023 council meeting at St. Mary's. The business meeting begins at 7 pm. We reviewed the upcoming council events. The next Round Table meeting will be Thursday, November 3, 2022.

Compass of History

Information contributed by Jim and Jeri Kolba

In the next issue of **Knight's Compass** we will introduce a monthly column on the history of our Council. This December 6th, the council will celebrate the 86th anniversary of its founding. Think about it. In just 14 years we'll be enjoying the 100th anniversary! There is a lot of material to cover regarding the history of our council. It has had its ups and downs including a couple of years where activity was paused. But we're here now and thriving. We hope you will enjoy the 86 year journey with us in the upcoming months.

Photographic

Photos for parish photo directory

St. Patrick's parish is doing a photo directory of families and of groups associated with the parish. That means of course that we will have a photo (or two) included with the directory. We had two occasions to get photos. We were greatly gratified to have all our members wear the council

Shining Armor

by Steve Hesprich, Membership Director

The Shining Armor is awarded for service to our council and our Order with distinction, the Shining Armor Award is awarded to those men that exemplify a true Knight of Columbus. The Shining Armor Award program is designed for members of a council to engage in and maintain an active level of participation in council programs and activities. To qualify for the Shining Armor Award, during the fraternal year, brother Knights must:

- Be involved in at least 3 council Faith in Action programs.
- Attend at least 3 council meetings.
- Attend an Exemplification of Charity, Unity and Fraternity.
- Meet with our council's insurance representative or attend a fraternal benefits night.

- Sponsor at least one man who becomes a member of the Order.

We are initiating this program for our council. We have several members who are close to earning the award. In all those cases they are simply missing sponsoring a new member into the Knights. The award includes a recognition certificate and pin presented at a council meeting. We invite all members to be Shining Armor winners.

Compass Minutes—October

Steve Hesprich, acting Recorder

The meeting began at 7:01 pm. Minutes for the September 20, 2022 meeting, as presented in the Oct 2022

Knight's Compass were approved. Chaplain's report—Fr. John read the Oct 18th entry of "Knights to Christ": Charity is Choosing Life. The entry reviewed some severe situations of several children born, where in today's culture that baby might be aborted. Each became a famous contributing member of society. Fr. John reviewed weekly events of the parish. Grand Knight report; We got a '10 Year Supplement' letter from the State Historian asking for us to report the past 10 years of the council. We received the Star Council award which was shown to attendees. Fr. John suggested we present it at a Mass. Treasurer's report—General Fund number not available; Charity Fund is \$1.07. We received a notice from the liability insurance company—the policy should be renewed. Life Report—Life Chain was done on Oct 2nd. We don't have the Juneau County March for Life date in January.

Rural Life Day was 9/21—after the Mass by Bishop Callahan and other celebrants, awards were given to families who had farms in their family for 100 or more years including to the Steve & Jane Powell family, Jeri Kolba family, and the Zindorf parish family.

Family Director report—we need to re-start the Family of the Month program. Community Director—we held both council and Diocesan Punt Pass and Kick contests. Four of our council contestants will move to State competition on November 5th in De Pere. Randy will get dates set for the Free Throw contest. We discussed how to promote handicap participation. We will explore Keep Christ in Christmas yard signage—perhaps order 10 yard signs [subsequently learned minimum order is 25 yard signs at \$3.35/sign]. Jim Kolba reported Jeri found early day photos of Grand Knights of the council. We will be celebrating 100 years on December 6, 2036.

Howard Boppart brought up getting a TV for use in the parish. This will be explored by Howard and GK Steve. Prayers were requested for Bob Walsh, and Curtis Alverson. Fr. John mentioned if you have friends or family in the hospital and they wish to have a visit by a priest, they need to ask the hospital staff to request the priest's presence. Otherwise the priest does not know there's a Catholic wishing to be visited. We did a prayer for two transitional deacons who will be ordained in June 2023—Jared Clements and Isaac Pecha.

Council meeting adjourned at 8:04 pm. Kim Hesprich's Coconut Cream pie was enjoyed by attendees.

Mid-Term elections are Tuesday, November 8th. Get out to Vote! This is arguably the most important mid-term election of this generation.

As Catholics and citizens, members of the Knights of Columbus should vote and should encourage members of their families, parishes, and communities to vote. Members are not permitted to engage in partisan political activity in the name of the Knights of Columbus. Partisan political activity is defined as action directed toward success or failure of a political party, candidate for political office, or political group. The tiles below contain links to nonpartisan websites maintained by the National Association of Secretaries of State and the U.S. Election Assistance Commission.
