Home and School Trivia Night

Please keep the night of March 16th open and join us for the annual Home & School Trivia Night.

We are looking forward to the rousing competition and fun at this event.

Gala

A huge thank you to all the members of the Gala committee for their work on creating another successful and enjoyable night for all attendees.

A special thank you to Mr. John Orton who again MC'd the event.

STREAM and Pre-School Event

Please keep March 19th on your calendar for St. Patrick's showcase of student works and an opportunity to view our pre-school program.

More information will follow as plans become more solid.

PRINCIPAL'S CORNER

Lent is often described by our children as a time they must give something up or that they cannot eat meat on Fridays. I have always described it as a time to prepare for the most joyous time of the Catholic year. I look forward to this time of year as part of a renewal process in understanding and appreciating our faith.

I was impressed with the contributions our staff and students created in their baskets for the Gala.

The last couple of months has brought interesting weather. We are expecting to go later in June than originally planned. Like the public school we will need to make up hours. Beginning **March 4, 2019** our school day will begin at **7:50AM** for the remainder of the year. At this point in time students will until June 7th. Be aware that the time frame could change if we have more snow days. Pray for an early spring.

The next few months will fly by as we continue to anticipate spring.
