Awards Programs

The athletic and academic award programs are fast approaching.

The athletic banquet is a potluck dinner with the award presentations to follow.

Academic awards will follow the same format as in previous years. You should be receiving the invitation through Sycamore and a hardcopy .

PRINCIPAL'S CORNER

The end of our academic year is fast approaching. I have enjoyed getting to know all members of the school community in the last two last years.

Our 8th grade recognizes that they will soon be leaving our safe and nurturing environment for the high school system. We will miss them but know that they will be prepared for the challenges of the high school environment.

Some of our staff have retired and we hope that Marilyn Goodenough and Ruth Treml enjoy their time with new activities. Molly Demaske, Ali Ruetz, and Brice Blaha are moving on to new opportunities. They ALL will be missed and we wish them happiness and success.

We will have new faces in the fall and will make those announces as we make those additions.
