Dear St. Patrick Families,

It is with great pleasure that I get to invite your family back next year! We have been so blessed this year to have in-person learning the whole year, and we can tell a difference with the students and staff. There are many great things happening and many things to come next year!

This year we have had many staff attend Professional Development (PD), and with the implementation of new Reading, Language, Vocabulary, and Spelling resources, there will be more PD to come over the summer and next year! The staff have been grateful for the time to learn and be able to implement new ideas into their classrooms. We are also very grateful for the new resource materials.

Some of the key things to celebrate here at St. Patrick's I will share below:

1. **The family atmosphere** - It is such a blessing to be able to know each child and family as they enter the school. I have even come to know grandparents as they are here to be with their grandchildren.
2. **Small class sizes** - We are fortunate to have class sizes of 17 or less per teacher.
3. The use of **technology** - We **have 1:1 Chromebooks and I-Pads**. We are also able to hold computer classes 2 times a week.
4. Updated **curriculum and resources** are available.
5. **Weekly Mass** - As a school we are able to attend mass weekly.
6. Teachers are willing to explore learning outside of the classroom via **field trips, STEM lessons, integrating topics**, etc..
7. We will be continuing with **WIN Time** (What I Need) next year - Students are able to receive small group instruction.
8. We have an **innovative group of supporters** - At St. Patrick's we are blessed with a wonderful set of committees that are always willing to help: Gala, Home and School, Education, Finance, Knights of Columbus, Hunters Night Out, etc...
9. **Compassionate staff** - The staff here is willing to work for our students while holding them to **firm expectations**
10. **The morals and values** -St. Patrick strives to give students the **moral education** designed by the Catholic Church with Christ as our example.

The parental support and understanding has been greatly appreciated this year, and we are turning the corner in many different areas of the school. We are working to increase the rigor and update our materials. The teachers are willing to learn and grow just as we ask our students to. With the continued support of so many, we have been able to offer families an education that is bar none.

Thank you for choosing St. Patrick's.

Sincerely,

Toni Ross

TUITION POLICY

Tuition pays only a portion of the total cost of educating a child at St. Patrick School. However, because it is part of the mission of Our Catholic faith to spread the good news of the gospels, the parish willingly supports the financial requirements of the school. It is also the tradition of St. Patrick School and Parish that no child should be denied a Catholic education because of a parent's inability to pay tuition, if there is a significant effort to participate in the areas of ministry of the parish on the part of the parent and child.

There must, however, be a partnership between the school and the parish for the financial aspects of operations to work smoothly. Therefore, parents, who enroll their children in St. Patrick School must accept the terms of the tuition policy outlined below.

St. Patrick School does not discriminate on the basis of race, ethnic origin, religion, or ability to meet tuition payments. **Children of all faiths are welcome at St. Patrick School.** Families who are active parish members, however, have a different tuition rate because they are expected to contribute to the parish in a variety of ways.

PARISHIONER STATUS

It is a goal of the St. Patrick's community to create an environment that focuses on the growth of Catholic faith, of attending Mass on a regular basis and of supporting the parish with your time, talent, prayer, and offering. Toward that end, we have defined the standard for granting in-parish status to families for the purpose of tuition rate for their children attending St. Patrick School.

Only those families who are deemed to be **registered**, **active**, and **contributing** parishioners will receive the in-parish rate for their Catholic children. These three criteria are defined as follows:

1. **Registered:** A family must be formally registered with St. Patrick Parish.
2. **Active:** the standard for this criterion is regular Sunday Mass attendance and active participation in the life of the Parish. All families are encouraged to become involved in one or more of the many ministries offered through the school and the Church.
3. **Contributing:** The Parish provides a substantial amount of financial support to the school on an annual basis. Without that support, the tuition would be much higher, and the programs offered would be severely limited.

TUITION PAYMENT

There are several payment options for paying tuition. Each plan, with accompanying dates is outlined below. Families are asked to select the plan that best fits their needs when completing the Tuition Agreement form at the time of enrollment.

- One payment due on July 1
- Two payments due on July 1 and Nov 1.
- Four quarterly payments due July 1, Sept. 1, Nov. 1, and Feb. 1.
- Ten equal payments beginning July 1 and ending April 1

The school will send out monthly or quarterly tuition statements.

In all payment plan choices, tuition balances should be paid in full by **May 1**. Accounts not paid in full by this date will be considered delinquent.

FINANCIAL AID

Families who struggle to meet the cost of tuition are encouraged to apply for financial aid. There are several programs place to assist families whose income or situation justifies financial assistance. In addition, there are also scholarships that are awarded to help offset the cost of tuition.

LATE TUITION PAYMENT

While there are circumstances that may prohibit a family from paying tuition according to their selected plan, it is the responsibility of each school family to keep the principal or pastor informed of their need to make any changes in their preferred tuition payment plan as the occur. Without such information, payments not made according to the selected plan will be considered delinquent.

TUITION DELINQUENCY

All families must be current in their payment of tuition. School families failing to pay tuition according to the agreement which they have made with the school or who have been unwilling to make suitable alternative arrangements wit the school will be informed that their tuition account is delinquent. It is the responsibility of the parent to contact the principal or the pastor to make arrangements for payment. An agreement between the parent and principal or parent and pastor must be made in writing. Parents who do not meet the agreed upon obligations by August 1 will be informed that their child/children may not be allowed to re-enroll at St. Patrick School.

DELINQUENT TUITION FROM PREVIOUS YEARS

All previously unpaid tuition must be paid by August 1, if a student is to be re-admitted on the first day of class for a new year. If payment is not possible, suitable arrangements must be made with the principal or pastor prior to the first day of school.

TUITION AGREEMENT 2022 – 2023

Paying for a Catholic education is a shared investment in your child's future. Tuition pays for only a fraction of the true cost of educating a child. Every student attending St. Patrick School receives financial assistance for the remaining portion of actual costs through the generous contributions of parishioners, fundraising done by our school and parish families, and contributions from individual benefactors.

We recognize that even these significantly reduced tuition levels may be a strain on some family's finances. Therefore, St. Patrick School awards scholarships and grants to help qualifying families with financing their child's education, including the Thomas Reardon Tuition Scholarships, Dan Kelley Tuition Scholarships, McCarty Scholarships, St. Benedict Fund, Bishop John Paul Endowment Scholarships, and more. It is our belief that no student should be subject to denial of a Catholic education because of inability to pay tuition if the child's family demonstrates complete devotion to raising their children according to the practices of the Catholic faith.

TUITION AGREEMENT 2022 – 2023

TUITION AND FEE PAYMENT DELINQUENCY

The intent of this policy is optimally to resolve all instances of payment delinquency through encouragement of open dialogue to discuss available options favorable to all concerned, rather than imposition of penalty actions.

Non-Payment of Tuition

Saint Patrick's Catholic Parish and School rely on the timely collection of tuition and fees in order to provide quality Catholic education to our students. Failure to collect all anticipated tuition places an enormous burden on our budget and risks the potential reduction or elimination of programs and services. Consequently, we must rely on all sources of income, including our families, to meet, faithfully, their contracted obligations as partners in this educational enterprise. If family financial circumstances change to such a degree that it warrants re-evaluation of the tuition and fees commitment, it is the responsibility of the family to contact the FOAC or pastor as soon as possible to discuss and coordinate suitable alternative payment arrangements.

The Saint Patrick's School Catholic Education Committee (CEC), in coordination with the pastor, has established a **Financial Outreach and Assistance Committee (FOAC)**. This three member committee will consult with the pastor to address specific delinquencies as they arise during the 2022-2023 school year.

When responsible parties fail to make payment obligations according to selected and agreed upon payment plan options, the following measures will occur:

1. 30 days past due (30 calendar days from commencement of the school year)

The family account is past due when the account is not in good standing at 30 days from commencement of the current school year. The following administrative action will occur:

- The family will receive notification from the FOAC informing the parent/guardian of the missed payment.
- It is the responsibility of the family to contact the FOAC or pastor to correct the situation or establish an acceptable alternate plan for payment in writing.

2. 60 days past due

When the family tuition account becomes 60 days past due, and in the absence of written agreement between all concerned parties satisfactory to the FOAC or the pastor, the following assessment and associated actions will occur:

- The family will receive notification from the FOAC. The notification will reflect the assessment of a \$25 late payment fee, and request family response within ten calendar days.
- In the absence of open and productive dialogue by the family, the family will receive a written notification, by certified mail, from the FOAC along with a signed copy of this agreement. The notification will request the family respond within ten calendar days. The intent of this involvement is to foster open discussions in obtaining favorable resolution for all concerned parties.
- It is the responsibility of the family to establish an acceptable alternate plan for payment in writing.
- The FOAC will inform the pastor regarding the status of all associated discussions / activities.

TUITION AGREEMENT 2022 – 2023

3. 90 days past due

When the family tuition account becomes 90 days past due, and in the absence of written agreement between all concerned parties satisfactory to the FOAC or the pastor, the following assessment and associated actions will occur:

- The family will receive notification from the FOAC. The notification will reflect the assessment of an additional \$25 late payment fee, and request family response within ten calendar days.
- In the absence of open and productive dialogue by the family, the family will receive a written notification, by certified mail, with a signed copy of this agreement. The notification will request the family respond within ten calendar days. The intent of this involvement is to foster open discussions in obtaining favorable resolution for all concerned parties.
- It is the responsibility of the family to establish an acceptable alternate plan for payment in writing.
- The FOAC will inform the pastor regarding the status of all associated discussions / activities.
- Affected students will be withdrawn from St. Patrick's School. This restriction will remain in effect for the duration of the academic school year or until the account is brought into good standing or establishment of an acceptable alternate payment plan in writing.
- The school administration will withhold report cards and transcripts until payment of the balance in full or establishment of an acceptable alternate payment plan in writing.

Families with Grade 8 Students:

The tuition and fees for 8th grade students must be current as of May 1. Affected students, with past due balances, will not receive a diploma or transcripts until payment of the balance in full or establishment of an acceptable alternate payment plan in writing.

End of school year balances:

All tuition and fees must be paid in full no later than May 1. The following measures for those families with unpaid balances and without an acceptable alternate payment plan on file:

- Family will receive written notification that their account is past due, along with a copy of this policy.
- Report cards and transcripts will be withheld until payment of the balance in full or establishment of an acceptable alternate payment plan in writing.
- Students will not be eligible to participate in any school-sponsored activities or attend class for the fall session.
- Families with delinquent accounts that choose not to return their students to Saint Patrick's Catholic School for the next academic school year will have their account turned over to a collection agency. This will also be in effect for families with delinquent accounts choosing to remove their children from enrollment during the academic school year.
- The school shall have the right to legal action for non-payment of tuition and fees; and recoupment of any associated litigation fees.

Grievance Consideration:

Any grievance by a parent/guardian submitted against the school or its employees shall be subject to resolution through Diocesan Administrative Recourse. (See Diocesan Policy DSP 1391/1392)

AGREEMENT CERTIFICATION

It is our obligation to make timely payments and we understand that assessment of late charges may occur for accounts in arrears. We further understand that if our account becomes severely delinquent, the school may withhold report cards, transcripts, and/or school records; and, deny enrollment of our children for subsequent years. The school may exercise the right to legal action for non-payment of tuition and fees; and recoupment of any associated litigation fees.

Scrip Program

Each school family is expected to purchase \$1500 of Scrip per year (May 1 to April 30).

WHAT IS SCRIP? Scrip is a program which gives back a percent of gift cards or Local Scrip to our school. When you buy a gift card, you are getting full value; *our profit comes from the merchant*. This profit helps keep tuition down and supports our school.

You can buy gift cards for almost any merchant. As an example, in this area, popular are Festival Foods (3%), Kwik Trip (5%), Amazon.com (2.25%), Walmart (2.5%), Walgreen's (5%), Kmart (4%), Menard's (4%), Kohl's (5%). You can also pay your Kohl's credit card bill with Scrip. We have gift cards for every gas station in Mauston, except Pilot. Northside Mobil takes Local Scrip. We have lists of merchants available at the school, rectory and on-line.

Profit on gift cards ranges from 1.5% to 15%.

Using an average profit of 5%, the \$1500 purchase yields a profit of \$75 for our school.

A family who chooses not to purchase Scrip will have \$75 added to their tuition in lieu thereof.

As an added incentive to continue to use Scrip, our Finance Committee has adopted a policy whereby once a family has purchased the initial \$1500, 65% of the profit on additional purchases will be credited toward that family's tuition.

The use of Scrip for all your grocery and gas could be a big help with your family's tuition!

Scrip can be purchased at the school office during the school year, at all week-end Masses and at the rectory during school vacation.

You are able to purchase Scrip online. There are people available to help you get started with Scrip online shopping - just let us know. Or, go to ShopwithScrip.com (our school code is **81AEE3B38898**) to enroll. You can also download the "Raise Right" app to your smart phone to purchase scrip directly to your "scrip wallet".

Contact Jennifer or Jeri at the rectory, 847-6054, if you have questions.
