### Description

St. Patrick's Catholic School in Mauston, Wisconsin is seeking a technology teacher and IT support individual for the 2023 - 2024 school year. Our school vision is that we provide a foundational experience of faith, community, and knowledge that forms courageous disciples ready to serve generously. Our mission is to foster a Catholic identity, maintaining high academic standards for pre-k through 8th grade students while collaborating with families of all faiths by forming courageous disciples equipped to serve.

We are a small, rural school in Mauston, Wisconsin. We have a wonderful team of teachers and staff members that guide and encourage our students to reach their highest potential. Learning is exciting at St. Patrick School. Students are immersed in the learning process and experience Catholic theology, literacy, math, science, social studies, art, music, p.e., and other subjects in a Christ centered environment. We have completely updated all technology and devices for all students in school. We have high academic standards and ensure teachers and students all have the tools they need to find success and reach their goals.

Successful candidates will bring the following qualities and attributes:

- A bachelor's degree in education
- Great organizational and interpersonal skills
- Effective classroom management and knowledge of best teaching practices
- Trust builder with students, staff, parents, and the community

- Applicants of the Catholic faith are given preference

Please attach your resume, letters of recommendation, a copy of your current teaching license and a copy of your transcripts when applying.
