TUITION AGREEMENT 2021 – 2022

Paying for a Catholic education is a shared investment in your child’s future. Tuition pays for only a fraction of the true cost of educating a child. Every student attending St. Patrick School receives financial assistance for the remaining portion of actual costs through the generous contributions of parishioners, fundraising done by our school and parish families, and contributions from individual benefactors.

We recognize that even these significantly reduced tuition levels may be a strain on some family’s finances. Therefore, St. Patrick School awards scholarships and grants to help qualifying families with financing their child’s education, including the Thomas Reardon Tuition Scholarships, Dan Kelley Tuition Scholarships, McCarty Scholarships, St. Benedict Fund, Bishop John Paul Endowment Scholarships, and more. It is our belief that no student should be subject to denial of a Catholic education because of inability to pay tuition if the child’s family demonstrates complete devotion to raising their children according to the practices of the Catholic faith.

TUITION AGREEMENT 2021 – 2022

TUITION AND FEE PAYMENT DELINQUENCY

The intent of this policy is optimally to resolve all instances of payment delinquency through encouragement of open dialogue to discuss available options favorable to all concerned, rather than imposition of penalty actions.

Non-Payment of Tuition

Saint Patrick's Catholic Parish and School rely on the timely collection of tuition and fees in order to provide quality Catholic education to our students. Failure to collect all anticipated tuition places an enormous burden on our budget and risks the potential reduction or elimination of programs and services. Consequently, we must rely on all sources of income, including our families, to meet, faithfully, their contracted obligations as partners in this educational enterprise. If family financial circumstances change to such a degree that it warrants re-evaluation of the tuition and fees commitment, it is the responsibility of the family to contact the FOAC or pastor as soon as possible to discuss and coordinate suitable alternative payment arrangements.

Because of problems caused by past delinquencies, the Saint Patrick's School Catholic Education Committee (CEC), in coordination with the pastor, established a **Financial Outreach and Assistance Committee (FOAC)**. This three member committee will consult with the pastor to address specific delinquencies as they arise during the 2021-2022 school year.

When responsible parties fail to make payment obligations according to selected and agreed upon payment plan options, the following measures will occur:

1. 30 days past due (30 calendar days from commencement of the school year)

The family account is past due when the account is not in good standing at 30 days from commencement of the current school year. The following administrative action will occur:

- The family will receive notification from the FOAC informing the parent/guardian of the missed payment.
- It is the responsibility of the family to contact the FOAC or pastor to correct the situation or establish an acceptable alternate plan for payment in writing.

2. 60 days past due

When the family tuition account becomes 60 days past due, and in the absence of written agreement between all concerned parties satisfactory to the FOAC or the pastor, the following assessment and associated actions will occur:

- The family will receive notification from the FOAC. The notification will reflect the assessment of a \$25 late payment fee, and request family response within ten calendar days.
- In the absence of open and productive dialogue by the family, the family will receive a written notification, by certified mail, from the FOAC along with a signed copy of this agreement. The notification will request the family respond within ten calendar days. The intent of this involvement is to foster open discussions in obtaining favorable resolution for all concerned parties.
- It is the responsibility of the family to establish an acceptable alternate plan for payment in writing.
- The FOAC will inform the pastor regarding the status of all associated discussions / activities.

TUITION AGREEMENT 2021 – 2022

3. 90 days past due

When the family tuition account becomes 90 days past due, and in the absence of written agreement between all concerned parties satisfactory to the FOAC or the pastor, the following assessment and associated actions will occur:

- The family will receive notification from the FOAC. The notification will reflect the assessment of an additional \$25 late payment fee, and request family response within ten calendar days.
- In the absence of open and productive dialogue by the family, the family will receive a written notification, by certified mail, with a signed copy of this agreement. The notification will request the family respond within ten calendar days. The intent of this involvement is to foster open discussions in obtaining favorable resolution for all concerned parties.
- It is the responsibility of the family to establish an acceptable alternate plan for payment in writing.
- The FOAC will inform the pastor regarding the status of all associated discussions / activities.
- Affected students will be withdrawn from St. Patrick's School. This restriction will remain in effect for the duration of the academic school year or until the account is brought into good standing or establishment of an acceptable alternate payment plan in writing.
- The school administration will withhold report cards and transcripts until payment of the balance in full or establishment of an acceptable alternate payment plan in writing.

Families with Grade 8 Students:

The tuition and fees for 8th grade students must be current as of May 1. Affected students, with past due balances, will not receive a diploma or transcripts until payment of the balance in full or establishment of an acceptable alternate payment plan in writing.

End of school year balances:

All tuition and fees must be paid in full no later than May 1. The following measures for those families with unpaid balances and without an acceptable alternate payment plan on file:

- Family will receive written notification that their account is past due, along with a copy of this policy.
- Report cards and transcripts will be withheld until payment of the balance in full or establishment of an acceptable alternate payment plan in writing.
- Students will not be eligible to participate in any school-sponsored activities or attend class for the fall session.
- Families with delinquent accounts that choose not to return their students to Saint Patrick's Catholic School for the next academic school year will have their account turned over to a collection agency. This will also be in effect for families with delinquent accounts choosing to remove their children from enrollment during the academic school year.
- The school shall have the right to legal action for non-payment of tuition and fees; and recoupment of any associated litigation fees.

Grievance Consideration:

Any grievance by a parent/guardian submitted against the school or its employees shall be subject to resolution through Diocesan Administrative Recourse. (See Diocesan Policy DSP 1391/1392)
