TUITION AGREEMENT 2024– 2025

Paying for a Catholic education is a shared investment in your child's future. Tuition pays for only a fraction of the true cost of educating a child. **The actual cost of tuition each year, per child at St. Patrick's School is over \$8,000.** Every student attending St. Patrick School receives financial assistance for the remaining portion of actual costs through the generous contributions of parishioners, fundraising done by our school and parish families, and contributions from individual benefactors.

We recognize that even these significantly reduced tuition levels may be a strain on some family's finances. Therefore, **St. Patrick School awards scholarships and grants** to help qualifying families with financing their child's education, including the Thomas Reardon Tuition Scholarships, Dan Kelley Tuition Scholarships, McCarty Scholarships, St. Benedict Fund, Bishop John Paul Endowment Scholarships, and more. It is our belief that no student should be subject to denial of a Catholic education because of inability to pay tuition if the child's family demonstrates complete devotion to raising their children according to the practices of the Catholic faith. Please ask if you have any questions.

TUITION AND FEE PAYMENT DELINQUENCY

The intent of this policy is optimally to resolve all instances of payment delinquency through encouragement of open dialogue to discuss available options favorable to all concerned, rather than imposition of penalty actions.

Non-Payment of Tuition

Saint Patrick's Catholic Parish and School rely on the timely collection of tuition and fees in order to provide quality Catholic education to our students. Failure to collect all anticipated tuition places an enormous burden on our budget and risks the potential reduction or elimination of programs and services. Consequently, we must rely on all sources of income, including our families, to meet, faithfully, their contractual obligations as partners in this educational enterprise. If family financial circumstances change to such a degree that it warrants re-evaluation of the tuition and fees commitment, it is the responsibility of the family to contact the pastor or school administration as soon as possible to discuss and coordinate suitable alternative payment

arrangements.

The Saint Patrick’s School Catholic Education Committee (CEC), in coordination with the pastor, has established a **Financial Outreach and Assistance Committee (FOAC)**. This three member committee will consult with the pastor to address specific delinquencies as they arise during the 2024-2025 school year.

When responsible parties fail to make payment obligations according to selected and agreed upon payment plan options, the following measures will occur:

1. Contact made by the acting pastor to set up payment arrangements
2. Contact made by the school administrator to discuss delinquent payments

Families with Grade 8 Students:

The tuition and fees for 8th grade students must be current as of May 1, 2025. Students with past due balances will not receive a diploma or transcripts until payment of the balance in full or establishment of an acceptable alternate payment plan in writing.

End of school year balances:

All tuition and fees must be paid in full no later than May 1, 2025. The following measures for those families with unpaid balances and without an acceptable alternate payment plan on file:

- Family will receive written notification that their account is past due, along with a copy of this policy. • Report cards and transcripts will be withheld until payment of the balance in full or establishment of an acceptable alternate payment plan in writing.
- Students will not be eligible to participate in any school-sponsored activities or attend class for the fall session.
- The school shall have the right to legal action for non-payment of tuition and fees; and recoupment of any associated litigation fees.

Grievance Consideration:

Any grievance by a parent/guardian submitted against the school or its employees shall be subject to resolution through Diocesan Administrative Recourse. (See Diocesan Policy DSP 1391/1392)

AGREEMENT CERTIFICATION

We, the undersigned, hereby certify acceptance of financial responsibility for all tuition, fees, and charges on behalf of the named students. It is our obligation to make timely payments and we understand that assessment of late charges may occur for accounts in arrears. We further understand that if our account becomes severely delinquent, the school may withhold report cards, transcripts, and/or school records; and, deny enrollment of our children for subsequent years. The school may exercise the right to legal action for non-payment of tuition and fees; and recoupment of any associated litigation fees.

Signatures of both parents required. In instances of divorce or separation, the parent(s) signing below accept full financial responsibility.

Scrip Program

Each school family is expected to purchase \$1500 of Scrip per year (May 1 to April 30).

WHAT IS SCRIP? Scrip is a program which gives back a percent of gift cards or Local Scrip to our school. When you buy a gift card, you are getting full value; *our profit comes from the merchant*. This profit helps keep tuition down and supports our school.

You can buy gift cards for almost any merchant. As an example, in this area, popular are Festival Foods (3%), Kwik Trip (5%), Amazon.com (1.7%), Walmart (2.5%), Walgreens (5%), Menard's (4%), Kohl's (5%). You can also pay your Kohl's credit card bill with Scrip. We have gift cards for every gas station in Mauston, except Pilot. Northside Mobil takes Local Scrip. We have lists of merchants available at the school, rectory and on-line.

Profit on gift cards ranges from 1.5% to 15%.

Using an average profit of 5%, the \$1500 purchase yields a profit of \$75 for our school.

A family who chooses not to purchase Scrip will have \$75 added to their tuition in lieu thereof.

As an added incentive to continue to use Scrip, our Finance Committee has adopted a policy whereby once a family has purchased the initial \$1500, 65% of the profit on additional purchases will be credited toward that family's tuition.

The use of Scrip for all your grocery and gas could be a big help with your family's tuition!

Scrip can be purchased at the school office during the school year, at all week-end Masses and at the rectory during school vacation.

You are able to purchase Scrip online. There are people available to help you get started with Scrip online shopping - just let us know. Or, go to ShopwithScrip.com (our school code is **81AEE3B38898**) to enroll. You can also download the "Raise Right" app to your smartphone to purchase scrip directly to your "scrip wallet".

Contact Jennifer or Jeri at the rectory, 608-847-6054, if you have questions.
