Religious Ed Time!

It's hard to believe that we are already talking about Fall Festival, back to school supplies and Religious Ed. As a reminder, all of our Parish families who have children, and are not enrolled in the Parish school, should be enrolled in the Parish Religious Ed Program. We offer Religious Ed from 1st grade through Confirmation II. In order to have your child receive their First Communion or Confirmation at our Parish they are required to have had formal faith formation a year prior to the year that they are receiving the Sacrament. Another exciting change to the program is that Father will be offering Mass on Wednesday nights of Religious Ed starting at 6pm. The Mass will be done by 6:30pm and we will go right into our 6th through Confirmation II classes. Please feel free to join us in Worship at that time! If you haven't had the opportunity to attend Daily Mass this is a great chance! **SIGN UP for RELIGIOUS ED WILL TAKE PLACE SEPTEMBER 18th 5pm - 7pm in the Gathering Area of Church.**

Vacation Bible School

On August 5th through the 9th we had over 100 campers, Junior Counselors, and Counselors taking part in our 3rd Annual Vacation Bible School. It was a memorable one with storm damage affecting our meeting and snack space and construction on the roof affecting some of our classroom and activity choices, but the Counselors and Junior Counselors took it in stride and still offered to the campers a wonderful experience filled with lots of joy and laughter! Thank you to the teachers Ali Ruetz, Cathryn Catterson, Ann Benz, Gail Boehm, Kathy Thayer, and Amy Zenthoefer for putting in all the hard work of teaching the lessons for the week, thank you to Parishioners who donated supplies and snacks, and a special thank you to Jeri Kolba and Mary Ellen Hamil for showing up every morning to help serve and clean up our morning snack. Without all of your prayers and support we wouldn't be able to run this. Thank you!

Now to enjoy some of our pictures 😊

Just some of our amazing counselors!!

Here is our 1st and 2nd grade trying out their Pirate eye patches. Ask one of our campers what Saint Patrick and Pirates have in common 😊

Every day we had an Arts and Crafts time where all the different campers made a craft to go along with the lesson .

On Thursday all ages during their Activity time had a lesson on Adoration and then were able to spend some time with Jesus.
